State of Human Rights and Democracy in Europe Council of Europe, 2007-01-01 Protecting human rights and promoting democracy are the Council of Europe s two main tasks But to what extent do the 47 member states live up to their commitments in these two crucial areas The Parliamentary Assembly of the Council of Europe tried to answer this question in an unprecedented political debate during its April 2007 session This first debate was attended by parliamentarians from throughout Europe the main partners in the global human rights community the UN High Commissioner for Human Rights Amnesty International and Human Rights Watch and the managers of the main Council of Europe monitoring mechanisms The texts contained in this publication show that despite undoubted progress Europe is still afflicted by serious human rights violations including enforced disappearances extra judicial executions torture and secret detentions as well as shortcomings in democratic processes Parliamentary Assembly, Working Papers BERNAN ASSOC, 2008-02-28 **Human**

          Nation Building And Ethnic Integration In Post-soviet Societies Pal Kolsto,1999-08-12 Of all the states of the former  
 Soviet Union it is in Latvia and in Kazakstan that the titular nation represents the lowest share of the total population as of  
 1997 approximately 57% in Latvia and 50% in Kazakstan In such a situation it is difficult to see how the titular Latvian Kazak  
 culture can serve as a consolidating element in the nation building project And yet in both of these states nation building  
 seem to follow the same general post Soviet pattern the traditions and symbols of the titular nations form the basis while the  
 remainder of the population gets treated as ethnic minorities But is this at all possible Is half of the population supposed to  
 be integrated into the other half and if so what will be the result It is a remarkable fact that faced with these formidable  
 challenges Latvia and Kazakstan have so far been basically spared the kind of communal violence which has erupted in many  
 other Soviet successor states This book gives an in depth analysis of ethnopolitics in Latvia and Kazakhstan and explores the  
 reasons for this tranquil outcome
