France Since 1918

Alison Carrol

France Since 1918:

The Origins of Economic Regions in France, 1918-1940 Terence Cudbird, 2026-01-01 This book provides a comprehensive account of the achievements of the economic regions set up in France after the First World War It identifies exactly how they operated as well as critical success factors such as effective leadership Some recent historians have taken a very negative view of the part played by these regions in economic development This new study instead argues that they made a significant contribution and laid the foundations for the regions created in France after 1945 The key areas which they identified transport power generation and technical education have remained the preoccupations of regional governments in France and elsewhere to this day The author covers the needs of commerce and industry but also agriculture and tourism Based on fresh research using a wide range of primary sources this book will appeal to economic historians economists and geographers as well as historians with a particular interest in France

The Return of Alsace to France, 1918-1939

Alison Carrol, 2018-05-24 In 1918 the end of the First World War triggered the return of Alsace and Lorraine to France after almost fifty years of annexation into the German Empire Enthusiastic crowds in Paris and Alsace celebrated the return of the lost provinces but return proved far more difficult than expected Over the following two decades politicians administrators industrialists cultural elites and others grappled with the question of how to make the region French again Differences of opinion emerged and reintegration rapidly descended into a multi faceted struggle as voices at the Parisian centre the Alsatian periphery and outside France s borders offered their views on how to introduce French institutions and systems into its lost borderland Throughout these discussions the border itself shaped the process of reintegration by generating contact and tensions between populations on the two sides of the boundary line and by shaping expectations of what it meant to be French and Alsatian Borderland is the first comprehensive account of the return of Alsace to France which treats the border as a driver of change It draws upon national regional and local archives to follow the difficult process of Alsace s reintegration into French society culture political and economic systems and legislative and administrative institutions It connects the microhistory of the region with the macro levels of national policy international relations and transnational networks and with the cross border flows of ideas goods people and cultural products that shaped daily life in Alsace as its population grappled with the meaning of return to France In revealing the multiple voices who contributed to the region s reintegration it underlines the ways in which regional populations and cross border interactions have forged modern nations

France Since 1918 Herbert Tint, 1980 **British Regiments 1914-1918** Brigadier E. A. James, 2012-09-06 One of the most used and most useful works of reference on the Great War ever published In this marvellous volume is listed every cavalry and Yeomanry regiment every battalion of every infantry regiment Regular Territorial or other that existed during the Great War In every case the location of the unit on 4 August 1914 is given or the date and place of its formation if raised after the outbreak of war Its initial disposition subsequent moves changes in subordination and final disposal or location on

11 November 1918 are all recorded Thus in a masterly and concise form we have the war service record of 31 regular and 17 reserve cavalry regiments 57 Yeomanry regiments and their second and third line counterparts and nearly 1 750 infantry battalions Several appendices contain a mine of information a table of the infantry regiments showing the number of the different types of battalions each had regular reserve extra reserve territorial New Army garrison etc how the New Army battalions were raised the Training Reserve list of infantry divisions summary of battle honours casualties and VCs of each infantry regiment Finally there is a good index

Britain and France in Two World Wars Emile Chabal, Robert Tombs, 2013-09-12 This collection examines relations between France and Britain in particular their conflicting memories of key episodes in their recent past *The Right in France from the Third Republic to Vichy* Kevin Passmore, 2013 Provides a new history of parliamentary conservatism and the extreme right in France during the successive crises of the years from 1870 to 1945 Charts royalist opposition to the newly established Republic the emergence of the nationalist extreme right in the 1890s and the parallel development of republican conservatism

Commerce Reports, 1922 An Outline of Recent European History, 1815-1921 Clarence Perkins, 1921 France Stanley Hoffmann, 1963 *The Sussex Yeomanry and 16th (Sussex Yeomanry) Battalion, Royal Sussex Regiment, 1914-1919* Herbert Ivor Powell Edwards, 1921

The American People Gary B. Nash, Julie Roy Jeffrey, 2006 Providing students with a thought provoking account of America's past The American People examines how American society assumed its present shape and developed its present forms of government A strong social emphasis underscores the humanness of America's history as revealed through the everyday lives of ordinary Americans In addition Recovering the Past essays acquaint students with the work that historians do by introducing them to the fascinating variety of materials that historians use to understand and interpret the past Two new primary source features American Voices and How Others See Us enliven the narrative with short passages from both ordinary and extraordinary Americans or from outsiders commenting on the American nation or its people For anyone interested in a survey of United States History

The Public Finances of Post-war France Robert Murray Haig, Carl Sumner Shoup, Alexander Werth, Nathalie Molodovsky, 1929 Presents a survey of facts in French public life as an important bearing on the economic crisis through which France has passed since World War I France is studied due to its great burdens and more losses suffered than any other countries

Europe and the World Since 1914 Ernest John Knapton, Thomas Kingston Derry, 1967 **Anglo-French Policy Toward Italy and the Italo-Ethiopian Dispute, 1935** Henry Lee (Jr.), 1950

Report on Economic Conditions in France Great Britain. Department of Overseas Trade, 1923

The Speeches of Adolf Hitler, April 1922-August 1939 Adolf Hitler, 1942 War Services of Old Melburnians, 1914-1918 J. Beacham Kiddle, 1923

Aerial Age Weekly, 1918 The National Jewish Monthly, 1968 *The Times History of the War*, 1919
