Territory Of Men A Memoir

Benson John Lossing

Territory Of Men A Memoir:

The Territory of Men Joelle Fraser, 2009-03-04 Born into the turmoil of mid sixties San Francisco the daughter of a flower child and a surfer Joelle Fraser grew up with no bedtime no boundaries and no father But dads she had in abundance as her mother worked her way through boyfriends and husbands caught between the traditional rules of her upbringing and the new freedoms of the me generation and women s lib Moving every few months from houseboats and beach shacks to run down apartments Joelle came to learn that a woman s life free or not is played out on men s territory Set in northern California Hawaii and the small coastal towns of Oregon Fraser s engrossing memoir captures this centerless childhood in wonderfully vivid frank writing then goes on to show how a legacy like this affects a girl as she grows up Pretty blond precociously aware of her own sexuality Joelle was drawn to men early eager to unlock their mysteries Working in bars prisons and firing ranges she liked to hang out where they congregated To her the only worlds that counted were men s worlds Men held the power they made life matter Fraser s sharp vignettes of her intense relationships brief turbulent marriage and itinerant life are haunting echoes of her early memories In *The Territory of Men* she brilliantly portrays the way a rootless childhood leads to a restless adulthood and how a mother s aimless life serves as a blueprint for her daughter
