, 1999-04 **The Reading/writing Connection** Carol Booth Olson, 2007 This is an especially well researched and
documented text the author's voice is one that is knowledgeable yet does not intend to intimidate She speaks to her audience
as a dedicated professional to professional I could only hope that my students would read and retain her words of wisdom
Anna L Bolling California State University Stanislaus I haven't seen any books that come close to what Carol Olson has
developed Harry Noden Kent State University The illustrations and scanned in documents make Booth Olson's book readable
interesting relevant and real life These visuals from actual students help transform her ideas from theory into practice Kathy

authentic examples of reading writing workshop process The activities are practical and motivating Hurray for Olson Donna
Uebler Bradley University Now in its second edition The Reading Writing Connection features an array of individual reading
and writing strategies activities and mini lessons that teachers can implement in their classrooms Well respected author
Carol Booth Olson extends far beyond most books intended for teachers of language arts by integrating reading and writing
in creative theory based ways Lauded by students and professors as a clear and straightforward text this revised and updated
edition includes plenty of material about teaching the writing process and responding to literature and provides examples of
lessons that help readers learn specific strategies Unique in its field The Reading Writing Connection provides student
models at middle and high school levels in almost every chapter illustrating actual student responses to reading and writing
activities The text is also rich with literary selections giving teachers easy access to the literature featured in the activities
and demonstration lessons Features New to the Second Edition Extensive coverage of differentiated instruction for English
Language Learners A new chapter entitled Introducing Students to the Cognitive Strategies in Their Mental Tool Kits that
summarizes and clarifies students use of cognitive strategies in their thinking An extensive and revised companion website
that features reading and writing rubrics student models blackline masters of graphic organizers and much more available at

www.ablongman.com/olson2e **Reading-writing Connections** Mary F. Heller, 1991 Reading Writing Connections From Theory to Practice Second Edition is an extraordinary language arts methods text that enables elementary and middle school teachers to create classroom environments where all students can become lifelong readers and writers. Focusing on developmentally appropriate methods and materials, this remarkably readable book empowers a new generation of teachers to integrate reading, writing, listening, and speaking in K-8 classrooms. Heller's highly accessible writing style makes Reading Writing Connections suitable as the primary text for undergraduate and graduate courses in language arts, reading, writing, and literacy.
