Meaning of Your Dreams Fiona Ashling,2017-12-17 I know someone who says she never dreams By that she means that she never remembers her dreams She s an educated woman and she knows that everyone dreams But try as she might she can never remember then when she wakes up Me I m different I remember them almost every morning I remember the odd ones and the ordinary ones I remember the one s that frighten me and the ones that puzzle me I remember scary dreams and comforting ones Dreams are a huge mystery We normally spend about one third of our lives asleep We still don t know why we sleep Sleep isn t the same as rest If we allow someone to lie down resting but don t allow them to sleep that person will go nuts and eventually die But we don t know for sure what sleep does for the body that depriving the body of sleep is so damaging But one of the theories is that we sleep because we have to dream That doesn t give us much more of a clue about the whys of what we do every night But we know that everyone dreams And many of us remember our dreams and most of those folks who remember want to know the meaning of our dreams That s what this book is about the meanings of your dreams I m not here to give you theories and speculation I m here to provide what are thought to be the meanings of the various things and people and events that occur in dreams and help you figure out how to understand those dreams in the context of your life You ll go to sleep tonight and you will dream Everyone does even on the nights when we don t remember them we re dreaming Maybe you ll wake up troubled by a dream in the morning Maybe you ll be afraid of what it means Maybe you ll be puzzled by some aspect of it And you can continue to wonder Continue to be afraid Continue to fear what that dream meant to your life and the lives of those you love Or you can know You can know specific detailed information about the meanings and realities of your dreams That s what this book is about **Dream Meaning Manual** Kai

Riverstone,2021-10-25 From The Creator Founder Of HowToLucid The YouTube Channel Lucid Dreaming Experience With 208K Subscribers Revised version I ve updated this ebook in 2025 to share the most effective and useful techniques for analysing your dream meanings and interpreting your OWN dreams every time Your dreams are not random They have

specific and important meanings which you need to interpret and understand But most people don't even know how to remember their dreams let alone INTERPRET them Why Interpret Your Dreams Your dreams contain powerful guidance and messages from your subconscious mind and higher powers They're pretty important Interpreting them can help you TRANSFORM your life and unlock your potential I remember when I first started learning about the meaning behind dreams I was AMAZED at the level of detail and how profound these messages can really be when you break them down and listen to them It's really amazing Several of these dreams have quite literally changed my life and given me guidance and advice that has MASSIVELY helped me to improve my circumstances And I truly believe this came from a higher power But even if you don't believe that and just want to know the meaning behind them This is really special It's like having a personal guide or partner in crime who knows you better than you know YOURSELF and who can guide and advise you on literally anything and everything It's really a powerful tool that you can use to change your life and upgrade yourself Let me show you exactly how to interpret and analyse your dreams but more importantly Let me show you what to DO with the interpretations once you've got them I've created a high quality course that will teach you how to INTERPRET understand and USE your dreams to transform your life You'll get a series of HD videos audio downloads and a PDF ebook Learn how to INTERPRET and UNDERSTAND any dream within just a few minutes even the really weird or scary ones Understand why we dream what they mean really and how you can use these insights and guidance to change your life and understand your mind Your subconscious and higher self have probably been SCREAMING at you through your dreams for a long time It's time to listen to what they're saying Who am I I'm Kai founder of HowToLucid and I've been a lucid dreamer for years now I've learned from many other gurus researchers and philosophers about this incredible ability I've taught millions of people all around the world to control their dreams and grown my YouTube channel where I answer people's questions about lucid dreaming to over 208 000 subscribers We now have over 21 000 Instagram followers I'm not saying this to brag but instead to say I wouldn't have that many if I didn't know what I was talking about For example when the brain thinks about doing something or dreams about it the SAME neural circuits fire as when the person is ACTUALLY doing it This means that by practicing a skill in a Lucid Dream such as the guitar or driving a car you can actually get REAL life results I'm not sure how much longer I'll keep this available at this low price as this is very effective and concise information
