

A man with dark hair, wearing a dark grey zip-up jacket, is seated on the left side of the frame. He is looking towards the right. In the foreground, a large, light-colored Hello Kitty plush toy is visible, partially obscured by a clear plastic bag. The background is a soft-focus floral pattern in shades of purple, pink, and green. A large, black, stylized text box is positioned on the right side of the image, containing the title.

The Medium Is Murder:

Psychology of Fear, Crime and the Media Derek Chadee, 2015-12-07 The media continue to have a significant persuasive influence on the public perception of crime even when the information presented is not reflective of the crime rate or actual crime itself There have been numerous theoretical studies on fear of crime in the media but few have considered this from a social psychological perspective As new media outlets emerge and public dependence on them increases the need for such awareness has never been greater This volume lays the foundation for understanding fear of crime from a social psychological perspective in a way that has not yet been systematically presented to the academic world This volume brings together an international team of experts and scholars to assess the role of fear and the media in everyday life Chapters take a multidisciplinary approach to psychology sociology and criminology and explore such topics as dual process theory construal level theory public fascination with gangs and other contemporary issues

Crime, Justice and the Media Ian Marsh, Gaynor Melville, 2019-02-18 Crime Justice and the Media examines and analyses the relationship between the media and crime criminals and the criminal justice system This expanded and fully updated third edition considers how crime and criminals have been portrayed by the media throughout history applying different theoretical perspectives to the way crime criminals and justice are reported It also includes a new chapter that looks at the influence of film and the cinema on crime and justice The third edition of Crime Justice and the Media focuses on the media representation of a range of different areas of crime and criminal justice including new media technology e g social network sites moral panics over specific crimes and criminals e g youth crime cybercrime paedophilia media portrayal of victims of crime and criminals how the media represent criminal justice agencies e g the police and prison service This book offers a clear accessible and comprehensive analysis of theoretical thinking on the relationship between the media crime and criminal justice and a detailed examination of how crime criminals and others involved in the criminal justice process are portrayed by the media With exercises questions and further reading in every chapter this book encourages students to engage with and respond to the material presented thereby developing a deeper understanding of the links between the media and criminality

Adolescents, Crime, and the Media Christopher J Ferguson, 2013-03-29 A campus shooting A gang assault A school bus ambush With each successive event fingers are pointed at the usual suspects violent films bloody video games explicit web sites But to what extent can or should the media be implicated in youth crime And are today's sophisticated young people really that susceptible to their influence Adolescents Crime and the Media critically examines perceptions of these phenomena through the lens of the ongoing relationship between generations of adults and youth A wealth of research findings transcends the standard nature nurture debate analyzing media effects on young people's behavior brain development in adolescence ways adults can be misled about youth's participation in criminal acts and how science can be manipulated by prevailing attitudes toward youth The author strikes a necessary balance between the viewpoints of media providers and those seeking to restrict media or

young people's access to them And the book brings scientific and intellectual rigor to culturally and politically charged issues as it covers Violence in the media Media portrayals of crime and youth Research on violent television programs video games and other media as causes of crime Effects of pornography on behavior Public policy censorship and First Amendment issues Adolescents Crime and the Media is an essential resource for researchers graduate students professionals and clinicians across such interrelated disciplines as developmental psychology sociology educational policy criminology criminal justice child and school psychology and media law
