an attempt to find clues to their escape from doomsday **The Mercenary** James Vincent Kulis,2008-08-01 I had to think long and hard about writing any of this down So begins Detective Jimmy Feterello s account of three unspeakably horrible cases Knowing that alone he is no match for the perpetrators Jimmy turns to a wartime friend Fior Firsen for help Firsen s tactics and easy way with the switchblade were excessive even in Viet Nam It s thirty years later and Firsen s fury is back in modern day San Francisco only this time it may not be enough The perpetrators The Angels of the Earth A coven of twenty five members who capture Linda Lauman as she is about to give birth They bury her alive while she s in labor so that her death and the death of her child will atone for the loss of trees The story begins in the wee hours of the morning at the gravesite in Golden Gate Park as Feterello struggles to open the coffin lid He s too late this time The Macoute Twins A savage pair of Haitian brothers whose MO is to invade a home and force the family into a cannibalistic mass They simultaneously invade homes on opposite sides of town and leave behind a baffling trail of DNA evidence Feterello figures it out but is frankly afraid to face the monsters alone The third case proves more perplexing Initial evidence points to a group of carnival face painters using their art to dispense a devastating virus Deeper analysis shows that a rogue mercenary Roqual Fauxfransez is unleashing the cruel poison But why The Mercenary is a tough talking and brutal novel on the surface Closer inspection isn t necessary but when performed reveals an unsettling commentary about who we are and how good addresses evil Or as Detective Feterello confesses read now about how inthe middle of life we found strength in friendship and managed to do something about what was wrong *Shadows of the Nephilim* Igor Ferluga,2011-03 Enter the dark world of Eden a continent divided into three parts and meet Kenan the mad mercenary who roams this land seeking vengeance against one he believes wronged him long ago Kenan a 3 000 year old man who believes himself to be demon possessed carries a great blade that only he can lift and his Thunder Maker a weapon of dire destruction Kenan will go through hell to seek his vengeance and woe to any who get in his way His destiny is that he catch a Naphill a powerful God of old But Kenan has inner demons he must fight as well for he is tortured by 20 years of memories that only allude to what he truly is and more importantly what he will become Man faces beasts vampires monsters and forces of darkness so malevolent that many will perish But there are those who will survive strange creatures that wish to save mankind and the world and mutated monsters who wish to destroy it Which side is Kenan on and what will he discover as he wages his biggest war ever against demons of darkness and of his own tormented soul **"Jacobsen's" Index of Objectionable Literature** Jacobsen's Publishers,1968 **The gray champion.
