## **The Messy Monster:**

**Rock Gods & Messy Monsters** Diane Hatz, 2022-09-07 Everything Everywhere All at Once meets The Hitchhiker's Guide to the Galaxy in a 1990s record company. Aliens have hatched a rockstar. Brain extractions, falling body parts, and blood vessel explosions are the norm. Alex's dream job has turned into a nightmare. What should she do? It's the 1990s. Alex arrives at Acht Records, her improbable blonde hair streaked stress magenta and anger black. Her first duty is to wipe blood off her boss's walls. It goes downhill from there. **Rock Gods Messy Monsters** is a humorous story about life inside a record company. Yet between the lines of satire and nods to science fiction, the book is a thought-provoking female narrative and social commentary on the corporate world. Join Alex as she weaves through a comedic cast of characters and down-crazed corridors of power where her boss attempts to thwart her at every turn. The New York music scene of the 90s never seemed so alien yet so familiar. Carol Anderson from the US Review of Books captures its essence perfectly. The novel is so perverse it causes one to laugh out loud at the deranged storyline and detailed descriptions. This is truly satire at its best. Scroll up, click, and buy **Rock Gods Messy Monsters** today. Satirical, zany, hilarious, a gut-punching commentary about the inner workings of the music industry, its power complexes, and power plays. Children will love learning how to reinterpret their favorite popular monsters in cartoon form as well as design their own menacing characters, all with a colorful, silly touch. Featured sections cover characteristics, expressions, and gestures that make a cartoon monster come to life on the page, as well as creative ideas and techniques for rendering a monster in an unexpected costume, disguise, or location, all to scare and surprise. Of course, Projects include widely recognized monsters from classic stories, movies, and legends, including beasts such as Godzilla, King Kong, Frankenstein, Mummies, zombies, and more, reinterpreted in a fun and whimsical, kid-friendly style. Each lesson begins with a simple shape and progresses to a colorful final piece of art, making it easy for budding artists of all skill levels to follow along. Along the way, tips and tricks from a professional cartoonist are included to guide their efforts, making this book an experience that is sure to create a new favorite pastime.
