even fell dead on the sidewalk and lay with their ghastly discolored faces upturned to the mocking sunlight until the dead cart came rattling along and the drivers hoisted the body with their pitch forks on the top of their dreadful load Few other vehicles besides those same dead carts appeared in the city now and they plied their trade busily day and night and the cry of the drivers echoed dismally through the deserted streets Bring out your dead bring out your Dead 1 All who could do so had long ago fled from the devoted city and London lay under the burning heat of the June sunshine stricken for its sins by the hand of God The pest houses were full so were the plague pits where the dead were hurled in cartfuls and no one knew who rose up in health in the morning but that they might be lying stark and dead in a few hours The very churches were forsaken their pastors dead or lying in the plague pits and it was even resolved to convert the great cathedral of St Paul into a vast plague hospital Cries and lamentations echoed from one end of the city to the other and Death and Charles reigned over London together About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The White Queen** Russell Montague Garnier,1899 *The midnight queen*,1865
