*Janacek: Years of a Life Volume 2 (1914-1928)* John Tyrrell,2011-03-17 Volume 2 opens at the the outbreak of the First World War and at the time of Jan cek s lowest ebb Within two years however his fortunes were transformed by the Prague production of Jenufa This led to international fame and fortune and to the magnificent creative flowering in which the elderly composer wrote most of his best known works His personal life was affected by his public affair with Gabriela Horv tov and his friendship with Kamila St sslov whom he saw as the inspiration for many of his late works     *The Mikota Story* Andrew Nelson,2005-07-01 When Bernie Jones went to war in 1918 he was part of a transition that changed the whole nature of our country Born just before the turn of the Century he grew up in a day when Kansas City Missouri was on the dividing live between a maturing nation and the old wild west He and his gang of boyhood friends looked on their advent into the United States Army as a great camp out with little chance of real action It was supposed that the German forces would fold the minute they saw fresh new troops opposite them in the trenches of France It didn t happen They fought fierce last ditch engagements at Chateau Thierry Saint Mihiel and especially the Argonne Bernie and his friends find their moments of truth in that last desperate fighting When the smoke clears he is left alone to go home to an uncertain future in a country that would never again be isolated His stressed out mind is full of bloody images and self doubts leaving him to rely on a tenuous faith that promises to keep him alive until the time when he can reorient himself and begin life over again     The Official Guide-book to Kyoto and the Allied Prefectures M.
