The Marshals Lady:

The Marshal's Lady Connie Carson, 2011-11-15 Amber had grown up as the oldest of seven children in a very poor family in St Louis Missouri So when a wealthy Texas rancher had ask her to marry him she had jumped at the chance for a better life She did not know until they arrived at the ranch just how isolated the ranch was or the true personality of her husband Jace Prescott s father was a sheep rancher and his mother was an Apache Indian Jace grew up under the cruel hand of his father and the hatred of the people of Wolf Creek Texas because he was a half breed Apache When his mother died his father deserted him leaving him with nothing but the small ranch With the help of an uncle and a lone white man he managed to grow to manhood and eventually became a marshal in El Paso county Amber and Seth did not meet under the best of circumstances but soon found they had a strong attraction for each other that eventually turned to love Together they face the adversities in the still untamed American west Preview When he took off his hat to her she found herself looking up and into the eyes of the best looking man she had ever seen She thought he looked like he might be part Indian since his hair was as black as a raven s wing and his brown eyes were so dark she could hardly see the pupils He was well over six feet tall with broad shoulders that tapered to a narrow waist where two large handguns rode on his hips Looking at her closely he noticed her waist was so small he felt he could put his hands around it and his fingers would touch Her eyes were a clear dark blue and her nose was small and turned up slightly at the end He couldn t decide what color her hair was It wasn t blond it wasn t red It reminded him of the color of honey

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
