**MEANING OF PRAYER HARRY EMERSON. FOSDICK,2018** **The Meaning of Prayer** Harry Emerson Fosdick,2015-06-26 What is prayer and what does it mean to pray This is the question that Harry Emerson Fosdick addresses and answers through The Meaning of Prayer Although published in 1915 this compilation of readings and short prayers still remains relevant to modern spiritual warriors and retreatants as the discussions presented are considered age old truths upon which Christianity is based This edition contains 10 chapters each having daily readings that span a week As such this is an ideal guide for those desiring to go on a lengthy retreat as well as those seeking something that will help them pray

daily Even though the readings are good for 10 weeks one can stretch out a chapter to encompass a few weeks to a month in order to better digest and work on the points for reflection offered by the author Each chapter opens with 7 readings followed by the author s comment of the week The comment is a misnomer as the passage is actually a few pages long It ends with a set of suggestions for thought and discussion What s notable about this compilation is that aside from Biblical quotes the author supplies excerpts of poems and other types of inspirational literary works that are still relevant and related to the topic at hand Those who are novices in prayer as well as those who have been doing it for years will find this book very helpful and a blessing indeed About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works     *The Concept of Prayer* Dewi Zephaniah Phillips,1965
