**A Companion to the Modern American Novel, 1900**

- 1950 John T. Matthews, 2013-06-10 This cutting edge Companion is a comprehensive resource for the study of the modern American novel Published at a time when literary modernism is being thoroughly reassessed it reflects current investigations into the origins and character of the movement as a whole Brings together 28 original essays from leading scholars Allows readers to orient individual works and authors in their principal cultural and social contexts Contributes to efforts to recover minority voices such as those of African American novelists and popular subgenres such as detective fiction Directs students to major relevant scholarship for further inquiry Suggests the many ways that modern American and fiction carry new meanings in the twenty first century *British Theatre and Performance 1900-1950* Rebecca D'Monte, 2015-02-26 British theatre from 1900 to 1950 has been subject to radical re evaluation with plays from the period setting theatres alight and gaining critical acclaim once again this book explains why presenting a comprehensive survey of the theatre and how it shaped the work that followed Rebecca D Monte examines how the emphasis upon the working class angry drama from the 1950s has led to the neglect of much of the century s earlier drama positioning the book as part of the current debate about the relationship between war and culture the middlebrow and historiography In a comprehensive survey of the period the book considers the Edwardian theatre the theatre of the First World War including propaganda and musicals the interwar years the rise of commercial theatre and influence of Modernism the theatre of the Second World War and post war period Essays from leading scholars Penny Farfan Steve Nicholson and Claire Cochrane give further critical perspectives on the period s theatre and demonstrate its relevance to the drama of today For anyone studying 20th century British Drama this will prove one of the foundational texts **The Novel in England, 1900-1950** Robert L. Caserio, 1999 In the first half of the twentieth century English fiction played a crucial role in the artistic and intellectual movement called modernism In recent decades however modernism and its proponents have come under attack Today s critics claim that modernist fiction has been socially and politically harmful and that literary modernism has fortunately been superseded by post modernism

**An Age of Criticism: 1900-1950**

William Van O'Connor, 1952 Donated by Sydney Harris *The Idea of the Middle Class* David Stuart Parker, 1998 The first book on the middle class in early twentieth century Latin America to be published in English in a generation No social class has generated more controversy than the middle class and nowhere has that class been more controversial than in Latin America Once believed not to exist then later the great hope of the Alliance for Progress the Latin American middle class is often blamed for not fulfilling the entrepreneurial democratizing progressive or stabilizing role that others ascribe to it Yet never has a class so widely discussed been so little studied and so poorly understood David Parker meets this challenge by combining the methods of social historians with attention to language and the cultural construction of meaning as he

investigates how and why white collar workers in Peru's offices banks and stores began to define themselves as members of a distinct middle class. He traces the origins of this new class identity and shows the lasting impact the employees' drive for preferential treatment had on Peruvian law, politics and culture. This book provides a rich description of the lifestyle, values and attitudes of this rising middle class in their never ending quest for economic stability, respectability and recognition in Peruvian society. Through a series of deftly drawn biographical profiles based on a variety of published and archival sources, Parker succeeds in personalizing and bringing alive his protagonists in a way that not only engages the reader but also reveals the importance of personal agency often lost in theoretically and ideologically driven studies of class.

**The Modern Novel in America, 1900-1950** Frederick J. Hoffman, 1951      **Middle Eastern Cities, 1900-1950** Hans Chr. Korsholm

Nielsen, Jakob Skovgaard-Petersen, 2001 This volume elucidates the dramatic changes taking place in Middle Eastern cities during the first half of the 20th century. During this period radical changes took place with the introduction of new public spheres and places and with these a new society emerged. The focus of the contributions is on the development of these changes and how they were experienced and interpreted by the inhabitants of the cities and towns.

**American Women Playwrights, 1900-1950** Yvonne Shafer, 1995 This book presents an analysis of the many plays written by women in the American theatre in the first half of the century. Such playwrights as Rachel Crothers, Zona Gale, Susan Glaspell, Edna Ferber and Lillian Hellman were popular and successful contributors to the stage. Many of their plays won such awards as the Pulitzer Prize, the Drama Critics Circle Award and Tony Awards. The plays are discussed in terms of their popular and critical value and placed within the historical and social background of the period. In this time of intense change for women in American society the plays reflect the new demands for freedom, careers, the right to vote, equality with men and the right to intellectual development. Shafer calls attention to many fine plays which deserve production today.
