### Pretest: Exam 1

The pretest is composed of 40 questions. Please answer the questions in the order in which they appear. There is no time limit. After you complete the pretest, check your answers with the key provided. You may use any reference material you have at home or in the classroom. You may not use any electronic devices, such as calculators, cell phones, or tablets. You may not use any notes or writing instruments on your answer sheet.

You are taking this pretest because the College Board has not taken a pretest. Therefore, this pretest is not a good predictor of your performance on a college-level exam.
