A Family Christmas:

Ebony, 1995-12 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine *Christmas and the British: A Modern History* Martin Johnes, 2016-10-06 The modern Christmas was made by the Victorians and rooted in their belief in commerce family and religion Their rituals and traditions persist to the present day but the festival has also been changed by growing affluence shifting family structures greater expectations of happiness and material comfort technological developments and falling religious belief Christmas became a battleground for arguments over consumerism holiday entitlements social obligations communal behaviour and the influence of church state and media Even in private it encouraged reflection on social change and the march of time Amongst those unhappy at the state of the world or their own lives Christmas could induce much cynicism and even loathing but for a quieter majority it was a happy time a moment of a joy in a sometimes difficult world that made the festival more than just an integral feature of the calendar Christmas was one of British culture's emotional high points Moreover it was also a testimony to the enduring importance of family shared values and a common culture in the UK Martin Johnes shows how Christmas and its traditions have been lived adapted and thought about in Britain since 1914 Christmas and the British is about the festival's social cultural and economic functions and its often forgotten status as both the most unusual and important day of the year *A Family Christmas!* Josie Metcalfe, 1999 **Becoming A Stepfamily** Patricia L. Papernow, 2015-07-17 What determines whether stepfamilies remain together What helps stepfamilies overcome the difficulties of remarriage and become mutually supportive family units How can mental health professionals better support this development This book brings both clarity and depth to the unique and complex dynamics of remarried families Patricia Papernow draws on interviews with over 100 stepfamily members up to date research a solid theoretical framework and an empathic clinical sensibility to present an insightful model of stepfamily development the Stepfamily Cycle This details account of the sages of forming a lasting cohesive group is richly illustrated by stepfamily members own stories Becoming a Stepfamily describes the developmental challenges involved in building nourishing reliable relationships between stepparents and stepchildren in the newly married couple and between different family groups who must learn to live together in a remarried family Papernow discusses the factors that influence the pace and ease of development and she provides four full length case studies illustrating the varied paths through the stepfamily cycle to the successful remarried life The author offers therapists clergy school personnel and others involved with stepfamilies a range of effective interventions including preventive educational and clinical approaches She provides practical guidance for helping family members deal constructively with the differing attachments of children to their biological parents and stepparents assisting stepparents as they cope with feeling excluded from the powerful biological parent child bond and guiding biological parents torn between their spouse's need for intimacy and privacy and their children's needs for support and attention
