The Best Of It

John G. Stackhouse

The Best Of It:

Making the Best of It John G. Stackhouse, 2011-10 What should be the Christian's attitude toward society? When so much of our contemporary culture is at odds with Christian beliefs and mores, it may seem that serious Christians now have only two choices: transform society completely according to Christian values or retreat into the cloister of sectarian fellowship. In *Making the Best of It*, John Stackhouse offers a more balanced and fruitful alternative to these extremes. He argues that rather than trying to root up the weeds in the cultural field or trying to shun them, Christians should practice persistence in gardening God's world and building toward the New Jerusalem.

Getting the Best of It David Sklansky, 1997 Contains six sections discussing probability, poker, blackjack, other casino games, sports betting, and general gambling concepts. This book contains some of the most sophisticated gambling ideas that have ever been put into print. Included is perhaps the best discussion of the basic mathematics of gambling, yet it is written so that even the most non-mathematical of readers can understand it. Many of the ideas discussed are those that the author himself has successfully used during his career. Topics include expectation, combinations, Bayes' Theorem, the eight mistakes in poker, checking in the dark, playing tight, The Key Card Concept, casinos and their mistakes, crapless craps, betting, sports, hedging, and middling, knowing what's important, the Law of Averages, and Other Fallacies, and much more.
