 archaeologist Urbain Bouriant in a monk s grave which showed signs of a dignified burial The unearthing of a new document
 dating to the time of the New Testament caused a sensation among theologians who eagerly awaited its initial publication in
 1892 Two years after The Gospel of Peter first appeared W R Cassels published this translation with a close reading and
 analysis The controversial elements among them Pontius Pilate being exonerated of condemning Jesus to death are discussed
 along with the unusually detailed descriptions of Jesus crucifixion and resurrection Cassels also makes comparative analyses
