WEALTH FROM GOD When I began to study and search the Scriptures on this topic how different I found the teachings and truths of God to be from the errors of man Your Creator has always given expecting to receive something in return In the very beginning God created man out of the dust of the earth He breathed into man the great gift of life God s second gift But when God gave man life He was expecting to receive something back for the gift God was expecting man to give Him worship reverence love service and obedience And if that first example of God giving expecting to receive starts to strip the cobwebs off your traditional ideas then begin to digest the power of this thought God s greatest gift of all his most precious Son Jesus Christ was given by God with an expectation When God sent Jesus Christ to the earth He wanted something back from man He expected to receive men and women who would become His children Let this truth soak into your spirit Expecting to receive something in return is a godly way to give The truth is often shocking You are probably saying Why Brother KARUNAKKOR that thought just goes against all I ve been taught all that I know about how a good Christian gives to others Now is the time for you to stop thinking man s thoughts Learn now to hear God s Word and think God s thoughts without putting a short circuit in your mind If the Bible clearly teaches anything **Your Money Counts** Howard L.
