The Bible Doctrine Of Final Things:

The Bible Doctrine of Final Things Robert R. Taylor, 1977 **"In the End, God"** John A. T. Robinson, 2011-05-26 Death judgement heaven and hell these are the Four Last Things traditionally linked together under the heading of Eschatology In this book John Robinson examines them all with trenchancy and lucidity providing a new and vital understanding of how these themes relate to contemporary Christian life In the End God identifies a gap that exists in the treatment of eschatology within the Christian faith As Robinson points out eschatology had traditionally dealt with the last things in a way that is remote and removed from everyday life and Christianity and the goal of his book is to make eschatology fully relevant to the modern world Although it is commonly held that eschatology within modern Christianity is centred on the fact and moment of death Robinson shows that the true nature of eschatology is something quite different It is not about the last things after everything else but rather is about the relation of all things to the last things or as it were about the lastness of all things Revealing the foundation of biblical eschatology to be the experience of God by the community of faith Robinson calls readers to embrace the eschatological vision of the Bible but to do so in a way that is alert to its mythic character In the course of these explorations he also lays bare his own theology of universal salvation However contrary to what one may expect this universalism is one that seeks to take both human freedom and the reality of hell with the utmost seriousness This special edition of John A. T. Robinson's classic text also includes an extended introductory essay by Professor Trevor Hart of the University of St Andrews and an exchange between Robinson and Thomas F. Torrance first published in 1949 in the Scottish Journal of Theology *In the End, God . . .* John A. T. Robinson, 2011-01-01 Eschatology is the explication of what must be true of the end both of history and of the individual if God is to be the God of the biblical faith All eschatological statements can finally be reduced to and their validity tested by sentences beginning In the end God J. A. T. Robinson The God revealed in Israel's story is the Lord of history a God with good purposes for his creation and a God capable of bringing those purposes to pass All biblical eschatology arises from this fundamental theological insight If God is this God then what shape must the future have John A. T. Robinson explores biblical eschatology with an eye both to the text and to contemporary culture Revealing the foundation of eschatology to be the experience of God by the community of faith he calls readers to embrace the eschatological vision of the Bible but to do so in a way that is alert to its mythic character In the course of these explorations Robinson also lays bare his own theology of universal salvation But contrary to what one may expect this universalism is one that seeks to take both human freedom and the reality of hell with the utmost seriousness This special edition of John A. T. Robinson's classic text also includes a debate between Robinson and Thomas F. Torrance played out across three articles from the Scottish Journal of Theology in 1949 an extended introduction by Professor Trevor Hart University of St Andrews Scotland and a foreword by Gregory MacDonald author of The Evangelical Universalist

ESCHATOLOGY Dr. Andrea D. Keys, 2025-02-06 Eschatology is the part of theology concerned with death judgment and the final destiny of the soul and of humankind Also discussed in the book is the meaning of dispensation which is a divinely appointed order a system of order government or organization of a nation community etc especially as existing at a particular time This book on eschatology will first include a minimal definition of the seven dispensations the rapture the tribulation part 1 revelations the abomination of desolations the great tribulation part 2 mark of the beast the battle of Armageddon millennium the great white throne judgment new heaven and new earth and eternity Consequently the author has attempted to place these end of time events in prophetic order and utilized a variety of sources to give insight to the reader Although there are many doctrines of eschatology this author will focus only on the set of beliefs taught through Christian eschatology Life becomes difficult for those who are not educated around technology and social media The same applies to eschatology life and beyond will become extremely arduous for those who are not educated on the devastating events that will take place during our last days on earth Eschatology The Doctrine of the Last Things will open up your understanding of the divine end of time events where Jesus Christ will ultimately reign with his saints in the New Jerusalem for all eternity According to the 1 Thessalonians 4 16 17 KJV which reads For the Lord himself shall descend from heaven with a shout with the voice of the archangel and with the trump of God and the dead in Christ shall rise first Then we which are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air and so shall we ever be with the Lord Amen

Divided Empire Robert Thomas Fallon, 1995-09-15 In Divided Empire Robert T Fallon examines the influence of John Milton s political experience on his great poems Paradise Lost Paradise Regained and Samson Agonistes This study is a natural sequel to Fallon s previous book Milton in Government which examined Milton s decade of service as Secretary for Foreign Languages to the English Republic Milton s works are crowded with political figures kings counselors senators soldiers and envoys all engaged in a comparable variety of public acts debate decree diplomacy and warfare in a manner similar to those who exercised power on the world stage during his

time in public office. Traditionally scholars have cited this imagery for two purposes: first to support studies of the poet's political allegiances as reflected in his prose and his life, and second to demonstrate that his works are sympathetic to certain ideological positions popular in present times. Fallon argues that *Paradise Lost* is not a political testament, however, and to read its lines as a critique of allegiances and ideologies outside the work is to limit the range and scope of critical inquiry and to miss the larger purpose of the political imagery within the poem. That imagery, the author proposes, like that of all Milton's later works, serves to illuminate the spiritual message: a vision of the human soul caught up in the struggle between vast metaphysical forces of good and evil. Fallon seeks to enlarge the range of critical inquiry by assessing the influence of personal and historical events upon art, asking as he puts it, not what the poetry says about the events but what the events say about the poetry. *Divided Empire* probes not Milton's judgment on his sources but the use he made of them.
