The Believers Prophet Priest And King:

Prophets, Priests, and Kings: A New Way to Consider Spiritual Gifts Gabe Sylvia,2024-01-05 Toward the end of his life the Lord Jesus told the disciples the church would do the work that he had done and greater works in these last days Building on the finished work of Christ by the power and gifting of the indwelling Holy Spirit believers do these works as prophets priests and kings in what the church has called the gifts of the Holy Spirit Through study of the Old Testament saints who filled these offices Christ to whom they point and important New Testament texts Sylvia builds the paradigm for local church leaders to use to identify and deploy their church members in spiritually gifted ministry This paradigm is anchored in the Scriptures and can be used in congregations across the theological spectrum This book lays out a path for taking seriously the Lord s assertion that in these last days by the power of the Spirit and for the glory of God the church will do great things

Prophet, Priest, Prince, and the Already, Not Yet TK Dunn,2023-07-27 Using the enigmatic theological expression of P T Forsyth TK Dunn explores how a holistic and comprehensive interpretation of the threefold office of Christ undermines three critical areas of dispensational theology the literal hermeneutic disdain for the church catholic and a convoluted interpretation of the end times focused on ethnic corporate Israel Interacting with liberalism as Forsyth s foil and using the exegetical analysis of Scripture by G E Ladd Dunn argues that the kingdom of God is not the human driven utopia dreamed of by liberal scholars nor a dystopic disconnected future realm exclusively for ethnic corporate Israel rather the kingdom must be understood as the dominion of Christ s reign over a redeemed people who order their lives according to his gospel Access to the kingdom therefore is open to all who are redeemed by the priestly work of Christ submit to the king s constitution and thereby live according to the prophetic proclamations of kingdom life

Prophet, Priest, and King Zondervan,2025-03-25 How might different voices from the global church help all Christians understand the person and work of Jesus Christ better Written by a team of leading Majority World scholars this joint project explores and articulates a doctrine of Christ by appealing to his threefold office as prophet priest and king Thus it considers Christology not only as a central tenet of the Christian faith but by drawing from a variety of voices throughout the worldwide church it also points to the unified testimony of the global catholic church This is the first volume in the Theology Together series which highlights the voices of Majority World scholars each of whom brings insights from a particular context and places them in conversation with one another to contribute to a richer deeper understanding of a shared faith in Christ

Prophet, Priest, and King Richard P. Belcher,2016 Richard Belcher explores the Old Testament to define the basic functions of prophets priests and kings through an analysis of key texts He then explains how these offices are fulfilled in Christ understood in the context of his humiliation and exultation A nuanced view of Christ s work through these offices points us to how the church its leaders and individual believers also fulfill these roles Includes study questions

Prophet, Priest, and King Travis Anglim,2016-08-09 David Elijah Aaron All of these men were leaders of sorts in their time but only Jesus filled all

their roles when He came to Earth And He so thoroughly filled those spiritual roles that all the world stared in wonder What can we learn from the example of all these ancient leaders What can we find in Christs fulfillment of their duties that we can apply to our own everyday lives **The Fireside annual [afterw.] pictorial annual [formerly Our own fireside]**

Visit James Smith (Baptist Minister.),1871 Gathered on the Road to Zion Daniel Lee Hill,2021-04-26 Churches are filled with human beings It is as a community of human creatures that the church gathers together on Sunday mornings to worship the triune God and it is as a community of creatures that its members participate in the church s liturgical life However merely noting that the church and human beings are related to one another leaves the nature of this relationship unresolved and undefined And this raises an important question How should the doctrine of the church inform our understanding of what it means to be human This project is an exercise in ecclesio anthropology albeit from a Free Church perspective In it Daniel Lee Hill seeks to discover how the nature practices mission and telos of the church robustly inform our understanding of the human creature Prophet, Priest, and King Richard P. Belcher (Jr.),2016 Although early church fathers recognized the different roles of Christ John Calvin was the first to call attention to his distinct offices of Prophet Priest and King

Starting in Genesis these offices recur time and again throughout the Bible Viewed alongside Christ s humiliation and exultation they give us a fully rounded understanding of His work as well as insight into the ongoing work of the Church In this biblical theology Richard Belcher explores and defines the basic functions of prophets priests and kings through an analysis of key Old Testament texts before discussing the fulfillment of these offices in Christ and the transformation of these offices for the Church its leaders and individual believers Includes study questions **Systematic Theology** Charles
