Delisle de Sales and shows how the germs of cruel pleasure were already present in elements of their work as much in their rhetoric and stylistics as in their arguments Sade aided by his grounding in the interpretative techniques of illicit clandestine and libertine literature read them attentively and developed their presentation as well as their content into a flawlessly logical and self referential system Thus the arrogant philosopher the author the libertine did not just mouth his cruel positions but enacted them proving the behaviour of matter as he she did so This reading of Sade s work refers its principal elements shape style and contents back to the hardcore of materialism offering an account which while not making it more tolerable renders it at once more accessible and more comprehensible **Africana** Anthony Appiah, Henry Louis Gates
