Faith is Stranger than Fiction Steve Halliday, 2001-01-01 You think God must work in a certain way but out of left field He springs an eye-popping surprise You pray for guidance in a ticklish situation and God responds with a plan that takes your breath away You're confident you know whom God will use to do His will and He chooses someone so unlikely that even that person is left speechless What's going on here What gives Actually it's really quite simple Faith Is Stranger Than Fiction When you serve a God who loves surprises there's no telling what He may cook up next to thrill your soul and challenge your spirit Only one thing is certain He will fulfill all His promises but He'll do it in a way none of us could imagine in a billion lifetimes
