Structure And Scale In The Roman Economy:

Structure and Scale in the Roman Economy Richard Duncan-Jones, 2002-05-02 Duncan Jones presents a series of studies and debates on interlocking themes which explore central areas of the Roman economy and the ways those areas connect and interact The studies are grouped into five sections Time and Distance Demography and Manpower Agrarian Patterns The World of Cities and Tax payment and Tax assessment Structure & Scale in the Roman Economy Richard Duncan-Jones, 1992 Economy of the Roman Empire R. Duncan-Jones, 1982-09-02 *The ^AOxford Encyclopedia of Economic History* Joel Mokyr, 2003-10-16 What were the economic roots of modern industrialism Were labor unions ever effective in raising workers living standards Did high levels of taxation in the past normally lead to economic decline These and similar questions profoundly inform a wide range of intertwined social issues whose complexity scope and depth become fully evident in the Encyclopedia Due to the interdisciplinary nature of the field the Encyclopedia is divided not only by chronological and geographic boundaries but also by related subfields such as agricultural history demographic history business history and the histories of technology migration and transportation The articles all written and signed by international contributors include scholars from Europe Latin America Africa and Asia Covering economic history in all areas of the world and segments of economies from prehistoric times to the present The Oxford Encyclopedia of Economic History is the ideal resource for students economists and general readers offering a unique glimpse into this integral part of world history

Recycling and Reuse in the Roman Economy Chloë N. Duckworth, Andrew Wilson, 2020-09-10 The recycling and reuse of materials and objects were extensive in the past but have rarely been embedded into models of the economy even more rarely has any attempt been made to address the scale of these practices Recent developments including the use of large datasets computational modelling and high resolution analytical chemistry are increasingly offering the means to reconstruct recycling and reuse and even to approach the thorny issue of quantification This volume is the first to bring together these new approaches and the first to present a consideration of recycling and reuse in the Roman economy taking into account a range of materials and using a variety of methodological approaches It presents integrated cross referential evidence for the recycling and reuse of textiles papyrus statuary and building materials amphorae metals and glass and examines significant questions about organization value and the social meaning of recycling The Roman Empire at Bay, AD 180-395 David S. Potter, 2004-07-31 Skilfully weaving together cultural intellectual and political history this detailed survey of two critical and eventful centuries travels the course of imperial decline A striking achievement of historical synthesis with a compelling interpretative line

Building Mid-Republican Rome Seth Bernard, 2018-08-16 Building Mid-Republican Rome provides the first interdisciplinary account of a seminal phase of Rome's history when the early stages of imperial conquest radically transformed the city's physical appearance along with its socioeconomic institutions *The Roman Empire at Bay, AD 180-395* David Potter, David S. Potter, 2004-07-31 David S Potter's comprehensive survey of two

critical and eventful centuries traces the course of imperial decline skillfully weaving together cultural intellectual and political history Particular attention is paid throughout to the structures of government the rise of Persia as a rival and the diverse intellectual movements in the empire There is also a strong focus on Christianity transformed in this period from a fringe sect to the leading religion Against this detailed background Potter argues that the loss of power can mainly be attributed to the failure in the i **Economic Growth and Structural Change** Angus Maddison, Herman van der Wee, 1994
