

## Stubbs And The Horse

**Venetia Morrison**

## **Stubbs And The Horse:**

**Stubbs and the Horse** Malcolm Warner, Robin Blake, 2004 A versatile genius whose oeuvre includes paintings engravings and detailed anatomical studies George Stubbs 1724 1806 was fascinated by horses This handsome book presents for the first time the wide range of his equine imagery from refined portraits of racehorses to violent scenes of horses attacked by lions in the wild Taking full account of the associations and status of the noble horse in eighteenth century Britain and the colorful world of its devotees both high and low the authors examine Stubbs's work from different points of view and offer many fresh interpretations Malcolm Warner discusses how horses were regarded in Britain in Stubbs's time the unexpected connection between his horse and lion compositions and the creation of the English thoroughbred and his classicism Robin Blake examines the young Whig noblemen who were Stubbs's first patrons the grooms jockeys trainers and other attendants who appear in his horse portraits and his curious dealings with the Prince of Wales The book also includes an essay by conservators Lance Mayer and Gay Myers on Stubbs's experiments with wax and enamel For admirers of Stubbs's art eighteenth century English painting and horses this book is an essential addition to their bookshelves [Mr Stubbs the Horse Painter](#) Constance-Anne Parker, 1971

**The Anatomy of the Horse** George Stubbs, 2024-07-08 [The Anatomist](#)

**Anatomis'd** Andrew Cunningham, 2016-12-05 The eighteenth century practitioners of anatomy saw their own period as the perfection of anatomy This book looks at the investigation of anatomy in the long eighteenth century in disciplinary terms This means looking in a novel way not only at the practical aspects of anatomizing but also at questions of how one became an anatomist where and how the discipline was practised what the point was of its practice what counted as sub disciplines of anatomy and the nature of arguments over anatomical facts and priority of discovery In particular pathology generation and birth and comparative anatomy are shown to have been linked together as sub disciplines of anatomy At first sight anatomy seems the most long lived and stable of medical disciplines from Galen and Vesalius to the present But Cunningham argues that anatomy was like so many other areas of knowledge changed irrevocably around the end of the eighteenth century with the creation of new disciplines new forms of knowledge and new ways of investigation The long eighteenth century therefore was not only the highpoint of anatomy but also the endpoint of old anatomy [The Art of George Stubbs](#)

Venetia Morrison, 1997 Primarily known as a horse painter some rendered life size up to 7 x 12 George Stubbs work represents a social history of eighteenth century England Most of his paintings were done on commission including a number from the Prince of Wales While paintings in the animal and hunting genre might be easily overlooked as merely decorative Stubbs distinguished himself in this area with the use of stunning realism Also included are his famous equine anatomical illustrations and engravings The faithfully represented images in the book with a text that illuminates Stubbs's life and times 1724 1806 allow for a true appreciation of the work and will help to round out any art book collection [Race, Gender, and Identity in American Equine Art](#) Jessica Dallow, 2022-05-19 This book traces an evolution of equine and equestrian art in the

United States over the last two centuries to counter conventional understandings of subjects that are deeply enmeshed in the traditions of elite English and European culture In focusing on the construction of identity in painting and photography of Blacks women and the animals themselves involved in horseracing rodeo and horse show competition it illuminates the strategic and varying roles visual artists have played in producing cultural understandings of human animal relationships As the first book to offer a history of American equine and equestrian imagery it shrinks the chasm of literature on the subject and illustrates the significance of the genre to the history of American art This book further connects American equine and equestrian art to historical theoretical and philosophical analyses of animals and attests to how the horse endures as a vital meaningful subject within the art world as well as culture at large This book will be of interest to scholars in art history American art gender studies race and ethnic studies and animal studies    **The Northwestern Reporter** ,1895

**Portraits of Celebrated Racehorses of the Past and Present Centuries** Thomas Henry Taunton,1888    **The Cambridge Companion to the Romantic Sublime** Cian Duffy,2023-07-20 An accessible and wide ranging introduction to one of the most important aspects of the cultural history of the Romantic period    **Mr. Stubbs's Brother** James Otis,1883    **Life of George Stubbs, R.A. ... With Illustrations, Etc. [With Introduction by G. Redford and Reduced Specimen Pages from Stubbs's Anatomy of the Horse.]** Sir Walter Gilbey,George REDFORD (F.R.C.S.),1898    **The Breeder's Gazette** ,1888    **An Oxford Companion to the Romantic Age** Iain McCalman,Jon Mee,Gillian Russell,Clara Tuite,1999-07-01 For the first time in this innovative reference book the Romantic Age is surveyed across all aspects of British culture rather than in literary or artistic terms alone The Companion s two part structure presents forty two essays on major topics by leading international experts cross referenced to an extensive alphabetical section covering all the principal figures events and movements in the broad culture of the period Aimed at students and general readers as well as scholars the essays constitute an accessible pluralistic and modern social history of the epoch the alphabetical entries can either be used alongside them for deeper information on specific subjects or as a free standing reference tool The volume as a whole embraces both high and low culture and explores its subject across the whole breadth of England Scotland Wales and Ireland The book s multi disciplinary approach treats Romanticism both in aesthetic terms its meaning for painting music design architecture and above all literature and as a historical epoch of revolutionary transformations which ushered in modern democratic and industrialized society In this period Wedgwood turned taste into a commercial enterprise Pierce Egan took Britain by storm with his sensational accounts of low life in the capital and Mary Shelley created in Frankenstein one of the enduring myths of scientific advance The Companion revitalizes canonical Romantic figures in the context of the historical events political and linguistic debates commercial pressures and plebeian subcultures of their day as well as bringing back into historical focus individuals and events whose impact has often been muffled or forgotten With over 100 integrated illustrations bibliographies accompanying all the major essays and an index to Part 1 this is the most comprehensive volume of its kind

offering a unique breadth of information to scholars and students of eighteenth and nineteenth century British culture literature and history EDITORIAL BOARD John Brewer University of California Marilyn Butler Exeter College University of Oxford James Chandler University of Chicago Jerome J McGann University of Virginia Charlottesville Mark Philp Oriel College Oxford Robert Webb University of Maryland New Breeder's Gazette,1888 *Littell's Living Age* Eliakim Littell,Robert S. Littell,1877 Encyclopedia of Artists: Robbia-Zurbarán William Vaughan,2000 Introduces the Western painters sculptors and printmakers from the Middle Ages though the present and describes concepts major schools and movements of Western art from abstraction to vorticism *The Athenaeum*,1899 *Reports of Cases Heard and Determined by the Supreme Court of South Carolina* South Carolina. Supreme Court,J. S. G. Richardson,Robert Wallace Shand,Cyprian Melanchthon Efird,William Hay Townsend,Duncan C. Ray,William Munro Shand,1873 **Live Stock Journal**,1898 **National Art-Collections Fund Review** National Art-Collections Fund (Great Britain),1994
