**Standing Firm in the Faith** James Morrisson,2004-11 After many years of wandering in a secular humanist wilderness James Morrisson became a Christian at age 66 He quickly developed a deep love for the life giving truth of Scripture Standing Firm in the Faith reflects his rich and varied training and experience It has the broad perspective of a student of history the sharp reasoning of a lawyer the practical down to earth examples of a teacher and the passion of a classical musician It also reflects the love of a man who is Dad and Grandpa to many members of his church The purpose of Standing Firm in the Faith is very practical to let Scripture stir people into action Whether you are a new believer or a seasoned Christian it will give you a solid Scriptural foundation for being an overcomer so that you can stand your ground in these challenging times This is more than a discussion of important Scriptural principles It is also a personal testimony of how the life giving mind transforming power of Scripture can change our lives Thank you so much for the labor of love you have given in the clarity and soundness of this high impact book Dr Joseph Umidi Professor of Ministry Regent University
