Stripped Naked Donna Brighindi, 2021-10-18 Hey Can you hear me A book that captivates mature audiences with no specific genre A journey of true grit that s candid intellectual informative and emotional with a hefty dose of suspense I promise *The Nude* Monica Bohm-Duchen, 1992 **Exposed** JC Harroway, 2017-10-01 He s a doctor she s a war veteran I absolutely loved everything about this book Goodreads Review Before you can heal you must accept that you ve been broken When an accident leaves her with severe burns Captain Eden Archer has one goal to get back to full fitness and her duties at her United Nations job Eden is not a joiner but the Ruby Challenge a four day hike across Nevada s Ruby Mountains seems like a great way to boost her rehabilitation and to prove herself ready and able to move on She just has to get through the pre challenge medical As a doctor in Accident and Emergency Dan Barbour is used to dealing with people in pain people in denial and people who don t much like doctors but the prickly servicewoman who dismisses his medical skills awakens an interest that has long been dormant The Ruby Mountain hike is as much about the emotional challenge as the physical and as Eden and Dan find themselves getting closer and closer they both face enormous obstacles Eden protects her heart with distance and reserve Dan keeps everyone at bay by being wholly unavailable But if they stay true to their old course they will lose the one chance at a real connection the one chance to really find someone to love A broken hearted doctor and a reluctant patient should be a match made in heaven but are Eden and Dan strong enough to find courage outside of their respective battlefields and expose their hearts *The Time Is Out of Joint* Agnes Heller, 2002-07-23 The Time Is Out of Joint handles the Shakespearean oeuvre from a philosophical perspective finding that Shakespeare s historical dramas reflect on issues and reveal puzzles which were taken up by philosophy proper only in the centuries following them Shakespeare s extraordinary handling of time and temporality the difference between truth and fact that of theory and that of interpretation and revelatory truth are evaluated in terms of Shakespeare s own conjectural endeavors and are compared with early modern modern and postmodern thought Heller shows that modernity which recognized itself in Shakespeare only from the time of Romanticism found in Shakespeare s work a revelatory character which marked the end of both metaphysical system building and a tragic reckoning with the inaccessibility of an absolute timeless truth Heller distinguishes the four stages found in constantly unique relation in Shakespeare s work historical personal political and existential and probes their significance as time comes to fall out of joint and may be again set aright Rather than initially bestowing upon Shakespeare the dubious honorary title of philosopher Heller probes the concretely situated reflections of characters who must face a blind and irrational fate either without taking responsibility for the discordance of time or with a responsibility which may both transform history into politics and set right the time which is out of joint In the ruminations and undertakings of these characters Shakespeare s dramas present a philosophy of history a political philosophy and a philosophy of im moral personality Heller weighs each as distinctly modern confrontations with the possibility of truth and virtue within a human

The Bride Stripped Bare Janet Hobhouse,1988 The book is a study of thirteen twentieth century artists and of the erotic and effective sensibilities expressed in their work Matisse s odalisques and Picasso s demoiselles Bonnard s bathers Balthus s Lolitas and de Kooning s harpies By exploring the relationship between artist and model the author examines what such artists seek to express through the form of the nude whether the result is closer to portraiture as in the work of Lucian Freud or violently abstract as in Picasso The complex relationship between biography and art is also considered in the work of Bonnard and Schiele whose marriages radically changed their treatment of the nude **BOOK JACKET A Select Library of Nicene and Post-Nicene Fathers of the Christian Church: S.
