Dobson, 1992-09 A practical how to book on discipline and child rearing that focuses on sibling rivalry hyperactivity self esteem and the most common errors made by frustrated parents Dr Dobson tells how to discipline strong willed children without breaking their spirits and offers other practical solutions and humorous anecdotes    **Great Myths of Child Development** Stephen Hupp, Jeremy D. Jewell, 2014-12-08 Great Myths of Child Development reveals the latest evidence based science behind the myths and misconceptions about the developing child Shatters the most commonly held child development myths Reveals the science behind such topical issues as twin telepathy sex prediction and imaginary friends Covers hot button issues like childhood vaccines spankings time outs and breastfeeding of older children Features numerous pop culture references and examples drawn from popular TV shows and movies such as Duck Dynasty Modern Family and Mad Men Points to a wealth of supplementary resources for interested parents from evidence based treatments and self help books to relevant websites    **Family Matters** Hilde Løvdal Stephens, 2019-10-15 The first full length study of a pivotal figure in American evangelical faith James Dobson child psychologist author radio personality and founder of the Christian conservative organization Focus on the Family published his first book Dare to Discipline in 1970 and quickly became the go to family expert for evangelical parents across the United States as American evangelicalism rose as a major political force The family expert became a leading voice in the Reagan Revolution and played a role in making American evangelicals even more firmly associated with the Republican Party Dobson's principle beliefs are that the family is the center of Christian America and that the traditional family must be defended from perceived threats such as gay rights feminism abortion and the secularization of public schools Dobson and Focus on the Family dominated Christian media through print radio and online venues and their message reached millions of American evangelical

households shaping the cultural sensibilities and political attitudes of evangelical families throughout the culture wars from the 1980s into the 2000s Family Matters James Dobson and Focus on the Family's Crusade for the Christian Home by Hilde Lvdal Stephens is an insightful history and analysis of James Dobson's rise to fame effect on American evangelical culture and subsequent descent from relevance Extensively researched Lvdal Stephens scoured through Dobson's books articles and other materials published by Focus on the Family in order to explore how evangelicals defined and defended the traditional family as an ideal and as a symbol in an ever changing world By contextualizing the history of Dobson's reign Lvdal Stephens's discerning analysis fills an important gap in our understandings of the politics and culture of late twentieth century conservative Christianity in the United States She explores complex topics ranging from Dobson's celebration of what he believes are timeless biblical values such as maintaining strict and defined gender roles to the ways Dobson and Focus on the Family balanced their basic ideals with real everyday lives of average American evangelical families facing the realities of divorce working mothers and other perceived threats to the traditional family

### **The Myth of Good Christian Parenting**

Marissa Franks Burt, Kelsey Kramer McGinnis, 2025-10-14 Christian parents want to raise their kids in a godly way But what if families have been sold promises that biblical parenting can never deliver Christian parents want to raise godly children but what happens when popular biblical parenting methods cause more harm than good The Myth of Good Christian Parenting exposes how the Christian parenting industry has sold families false promises for five decades leaving a trail of religious trauma damaged relationships and lost faith in its wake This groundbreaking analysis offers historical analysis traces the development of the Christian parenting industry and its influential figures who built parenting empires research based insights features survey data from adult children and parents affected by authoritarian parenting methods theological examination analyzes how popular teachings on authority compliance corporal punishment and control diverge from Jesus's teachings and encouragement for a better future equips readers to pursue a new path of freedom and mutual respect within their families Marissa Franks Burt and Kelsey Kramer McGinnis combine rigorous research with compelling storytelling to reveal how evangelical parenting culture has shaped and often strained families from the 1970s to today Drawing on history sociology theology and extensive survey responses from adult children and parents they trace the rise of Christian parenting empires that idealize obedient children and perfect households while leaving real families feeling inadequate They also examine the lasting damage caused by popular Christian parenting teachings including loss of faith estrangement religious trauma and deep regret for older parents and provide hope for healing Whether you're a Christian parent questioning traditional methods an adult recovering from a strict religious upbringing or a church leader seeking healthier family ministry approaches this book equips you to pursue mutual respect emotional safety and authentic faith within your family relationships

### **Welcoming Children** Joyce Ann Mercer, 2005-11-01 This book develops a theology of childhood both from a theoretical basis in biblical theology especially the gospel of Mark and practical experience in children and youth ministry

Mercer builds on classical theologians such as Augustine Calvin Barth and Rahner as well as modern feminist theologians such as Brock and Russell She gains insights from pastoral theologians such as Capps and Couture and from contemporary cultural criticism Mercer challenges approaches to educational and liturgical practices with children in congregations that segregate children from the rest of the church and its key practices of service mission worship care and learning She reframes ministries with children as processes through which the church as a community of practice forms children into an alternative identity that resists surrounding consumerist culture and walks in the ways of Jesus This book offers strategies for educational practices with children in congregations as it seeks to address the question What might educational practices that welcome children and contribute to their flourishing look like in the context of a faith community where children s learning happens in collaboration with experienced practitioners of faith Outlining a feminist practical theology of childhood it explores five basic theological claims 1 children as gifts and parenting as a religious practice of stewardship 2 welcoming those who welcome and care for children 3 children as already fully human 4 children as part of the purposes of God and 5 acknowledging and transforming the sufferings of children
