**Weak Strongman** Timothy Frye,2022-09-27 Looking beyond Putin to understand how today s Russia actually works Media and public discussion tends to understand Russian politics as a direct reflection of Vladimir Putin s seeming omnipotence or Russia s unique history and culture Yet Russia is remarkably similar to other autocracies and recognizing this illuminates the inherent limits to Putin s power Weak Strongman challenges the conventional wisdom about Putin s Russia highlighting the difficult trade offs that confront the Kremlin on issues ranging from election fraud and repression to propaganda and foreign policy Drawing on three decades of his own on the ground experience and research as well as insights from a new generation of social scientists that have received little attention outside academia Timothy Frye reveals how much we overlook about today s Russia when we focus solely on Putin or Russian exceptionalism Frye brings a new understanding to a host of crucial questions How popular is Putin Is Russian propaganda effective Why are relations with the West so fraught Can Russian cyber warriors really swing foreign elections In answering these and other questions Frye offers a highly accessible reassessment of Russian politics that highlights the challenges of governing Russia and the nature of modern autocracy Rich in personal anecdotes and cutting edge social science Weak Strongman offers the best evidence available about how Russia actually works
