

The first part of the project is to create a simple drawing of a house. This drawing should include a roof, walls, and a door. The drawing should be done on a separate sheet of paper and then pasted into the box provided.

The second part of the project is to write a short story about the house. The story should be at least 100 words long and should describe the house and the people who live there.

The third part of the project is to create a small model of the house. This model should be made from a material of your choice and should be at least 10 cm high.

The fourth part of the project is to write a poem about the house. The poem should be at least 10 lines long and should describe the house and the people who live there.

The fifth part of the project is to create a small garden for the house. This garden should be at least 10 cm wide and should contain at least 10 different plants.

The first part of the project is to create a simple drawing of a house. This drawing should include a roof, walls, and a door. The drawing should be done on a separate sheet of paper and then pasted into the box provided.
