**The Italian Principia ....: A first Italian reading book ... with grammatical questions, notes, syntactical rules and a dictionary** Luigi Ricci,1885 *The Dark Side of News Fixing* Syed Irfan Ashraf,2021-11-02 This book provides a local journalist s perspective on a four decade long regional contribution to global news production It shows how the fixers risky news pursuits made possible for global media to access distant regions and dangerous caves on Pakistan and Afghanistan borders causing unprecedented deaths of the local reporters in the context of the U S led war on terror The book analyzes the fixer as a role in its relationship with militarization It is not a coincidence that fixers become valuable to commercial media only during the height of violence or crises Emerging under conditions of scarcity or war the value of this role in turn is intrinsically tied to the fear of extinction It is this vulnerability or perceived expendability imposed by the need to find work that binds fixers in a symbiotic relationship with global market and global war This book then serves as a vantage point from which one can clearly see the connection between the regional wars and commercial media as well as local journalists transformation into daily wage earners in a global media shift toward neoliberalism

,2024-09-16 The covert interplay between violence and economies has long eluded public scrutiny remaining a neglected topic in academic and policy circles alike Amidst the proclamation of the liberal peace democratic nations in the 90s sidestepped discussions on violent influences within their borders Yet the repercussions of economic violence spanning psychological trauma to societal upheaval persist globally Beyond preconceived ideas limiting violence to geographic areas and certain political regimes identifying the profiteers and veiled beneficiaries of such systems is paramount This understanding is crucial in dismantling the undemocratic underpinnings of economies of violence fostering a path towards equity and peace Contributors are Arturo Alvarado Alain Bauer Clotilde Champeyrache Julien Dechanet Nazia Hussain David Izadifar Louise Shelley and Guillaume Soto Mayor Library of the World's Best Literature: Index guide.
