*The Kennedy Myth* James S. Wolfe,2013-07-29 In The Kennedy Myth Jim tells the Kennedy story from John Kennedy s presidential campaign through Robert Kennedy s assassination and analyzes it in terms of archaic historic and modern types of civil religion From Robert N Bellah Professor of Sociology Emeritus University of California Berkeley author of Religion in Human Evolution The assassination of a president has been a deeply traumatic event in American history perhaps above all in the case of Lincoln However much closer to our own time the assassination of John F Kennedy shook the nation to its foundations Such an event opens up levels of meaning that are well below the surface most of the time Wolfe helps us in this book which is about Kennedy s life as well as his death to understand the depth dimension of the nation in which we live

*Jacqueline Kennedy* Barbara A. Perry,2018-03-31 In a mere one thousand days Jacqueline Bouvier Kennedy created an entrancing public persona that has remained intact for more than a half century Even now long after her death in 1994 she remains a figure of enduring and endearing interest Yet while innumerable books have focused on the legends and gossip surrounding this charismatic figure Barbara Perry s is the first to focus largely on Kennedys White House years portraying a First Lady far more complex and enigmatic than previously perceived Noting how Jackie s celebrity and devotion to privacy have for years precluded a more serious treatment Perry s engaging and well crafted story illuminates Kennedy s immeasurable impact on the institution of the First Lady Perry vividly illustrates the complexities of Jacqueline Bouvier s marriage to John F Kennedy and shows how she transformed herself from a reluctant political wife to an effective confident presidential partner Perry is especially illuminating in tracing the First Lady s mastery of political symbolism and imagery along with her use of television and state entertainment to disseminate her work to a global audience By offering the White House as a stage for the arts Jackie also bolstered the president s Cold War efforts to portray the United States as the epitome of a free society From redecorating the White House to championing Lafayette Square s preservation to lending her name to fund raising for the National Cultural Center she had a profound impact on the nation s psyche and cultural life Meanwhile her fashionable clothes and glamorous hairdos stood in stark contrast to the dowdiness of her predecessors and the drab appearances of Communist leaders spouses Never before or since have a First Lady and her husband sparkled with so much hope and vigor on the stage of American public life Perry s deft narrative captures all of that and more even as it also insightfully depicts Jackie s struggles to preserve her own identity amid the pressures of an institution she changed forever Grounded on the author s painstaking research into previously overlooked or unavailable archives at the Kennedy

Library and elsewhere as well as interviews with Jacqueline Kennedy's close associates Perry's work expands and enriches our understanding of a remarkable American woman     **Designing Camelot** James A. Abbott, Elaine M. Rice, 2021-08

**The Kennedy Persuasion** Paul R. Henggeler, 1995-03 The Texas School Book Depository once a warehouse for books today houses our imagination Paul Henggeler writes Today many Americans share a nostalgia for the Kennedy years and their imagined hope and promise in polls they reaffirm a yearning for the optimism and confidence associated with JFK's brief presidency American political leaders keenly aware of the mystique and its effects on the electorate have energetically laid claim to the Kennedy mantle Mr Henggeler traces this phenomenon in an engaging and original piece of history Using fresh archival sources he describes how Democrats and Republicans liberals and conservatives have invoked the Kennedy mythology adopted the Kennedy strategy even tried to summon up the Kennedy appearance in order to influence Congress the media and the American public As a consequence John Kennedy is now larger and more influential in American politics than he ever was in the flesh Used and abused the Kennedy legend has inspired an entire generation of American politicians from Lyndon Johnson through Bill Clinton but our political life may be poorer for it The Kennedy Persuasion is a convincing often surprising case study of the great historical image of our time     **Mr. and Mrs. President** Gil Troy, 2000 With a new chapter devoted to Hillary and Bill Clinton's tainted partnership in office and to the present First Lady's senatorial ambitions this second edition offers fresh insights into America's paradoxical expectations for its presidential wives and husbands Deeply engrossing Publishers Weekly 33 photos     **Vernacular Architecture Newsletter**, 2000     **Historic Preservation & the Imagined West** Judy Mattivi Morley, 2006 She draws on extensive interviews city council proceedings and historic plats and photographs to construct a detailed picture of how these districts originally looked and were used how they were renovated and to what ends they were marketed     *Jackie Kennedy's Restoration of the White House* Cathi Bell, 1992

**CIVIL RIGHTS RESTORATION ACT OF 1987**,     **Annual Communication of the Grand Lodge of the United States**, 1873     **The White House** John Guidas, 1992     **The JFK Assassination Debates** Michael L. Kurtz, 2006

William L Kurtz delivers a comprehensive thought provoking book about the various theories surrounding the JFK assassination favoring the conspiracy theory himself     **The Kennedys** John H. Davis, 1984 Traces the history of the Kennedy Family from immigration to the United States to the political career of Ted Kennedy     **Lady Bird Johnson and the Environment** Lewis L. Gould, 1988 Gould American history U of Texas Austin has dusted off updated and thinned his 1988 Lady Bird Johnson and the Environment to kick off the new series on the wives of US presidents He draws on Johnson's White House papers and interviews with her and her close associates to argue that she was one of the most politically active First Ladies though her concern with the environment was overshadowed by protests against the Vietnam War Annotation copyrighted by Book News Inc Portland OR     **The New Leader**, 1968     **Journal of the British Interplanetary Society** British Interplanetary Society, 1997     **Lady Bird Johnson** Lewis L.
