Neveryona, or Samuel R. Delany, 2011-03-01 In his four volume series *Return to Neveryeon* Hugo and Nebula award winner Samuel R Delany appropriated the conceits of sword and sorcery fantasy to explore his characteristic themes of language power gender and the nature of civilization Wesleyan University Press has reissued the long unavailable *Neveryeon* volumes in trade paperback The eleven stories novellas and novels in *Return to Neveryeon* s four volumes chronicle a long ago land on civilization s brink perhaps in Asia or Africa or even on the Mediterranean Taken slave in childhood Gorgik gains his freedom leads a slave revolt and becomes a minister of state finally abolishing slavery Ironically however he is sexually aroused by the iron slave collars of servitude Does this contaminate his mission or intensify it Presumably elaborated from an ancient text of unknown geographical origin the stories are sunk in translators and commentators introductions and appendices forming a richly comic frame

Leadership Positions in the People's Republic of China Maria Adnane,2020-06-02 Master s Thesis from the year 2012 in the subject Business economics Business Management Corporate Governance grade 1 7 Heilbronn University language English abstract Women are still significantly underrepresented in Top Management positions and leadership is still associated with the male gender as leadership theories traditionally focus on men This is especially evident in China which has one of the world s highest female labor participation but a female share of only eight percent on the corporate boards Although Chinese women s tertiary educational attainment is now equal to the tertiary education of Chinese men they still face many barriers on their way to the top The strong influence of Confucian values perceiving women as inferior to men remains noticeable until today and women find themselves exposed to a strongly patriarchal business environment As being traditionally the main care givers of their families they are deemed to be expensive potential mothers and thus gender preference can be observed second Classical leadership theories of the Western culture as well as of the Chinese culture are introduced to provide a common understanding of their approaches Further the situation of women in the past and of today is being compared as well as their leadership styles access to managerial leadership positions and the barriers they face Since educational attainment of both genders does not explain why women are rarely found on the upper managerial ranks other reasons that could be a barrier for women s career advancement are examined in this research **Catlin's Notes of Eight**
