**In Search of Ancient Mysteries** Alan Landsburg, Sally Landsburg, 1974 The evidence is overwhelming Before human history was written a race of beings traveled to Earth across the voids of space This book is the most explosive inquiry into man's beginnings since Darwin challenged the Bible

**In Search of Ancient Mysteries**, 1988 Additional evidence to support the theory that man on earth had his genesis somewhere in outer space is offered in this thought provoking film Filmed on locations throughout the world some of the bizarre phenomena depicted include a complex astrological clock built in 50 B C pre Columbian skeletons showing astounding surgical operations and similar looking rock paintings and stone carvings discovered in various parts of the world The viewer is left to decide whether or not outer space beings may have settled here and colonized the Earth

**Mystery in Acambaro** Charles H. Hapgood, 1999-12 The Acambaro collection comprises hundreds of clay figurines that are apparently thousands of years old however they depict such bizarre animals and scenes that most archaeologists dismiss them as an elaborate hoax The collection shows humans interacting with dinosaurs and various other monsters such as horned men Both Hapgood and Earl Stanley Gardner were convinced that the figurines from Acambaro were authentic ancient artifacts that indicated that men and dinosaurs had cohabited together in the recent past and that dinosaurs had not become extinct many millions of years ago as commonly thought David Hatcher Childress writes a lengthy introduction concerning Acambaro the latest testing and other evidence of living dinosaurs

**Mysteries of Ancient South America** Harold T. Wilkins, 2000 The reprint of Wilkin's classic book on the megaliths and mysteries of South America This book predates Wilkin's book *Secret Cities of Old South America* published in 1952 *Mysteries of Ancient South America* was first published in 1947 and is considered a classic book of its kind With diagrams photographs and maps Wilkins digs into old manuscripts and books to bring us some truly amazing stories of South America a bizarre subterranean tunnel system lost cities in the remote border jungles of Brazil legends of Atlantis in South America cataclysmic changes that shaped South America and other strange stories from one of the world's greatest researchers

**The Ancient Mysteries** Marvin W. Meyer, 1999-05-07 Zeus and the other gods of shining Olympus were in reality divine only by popular consent Over the course of time Olympian luster diminished in favor of religious experiences more immediate to the concerns of people living in an increasingly cosmopolitan ancient world These experiences were provided by the mystery religions that flourished particularly during the Hellenistic period and were secretly practiced by groups of adherents who decided through personal choice to be initiated into the profound realities of one deity or another Unlike the official state religions in which people were expected to make an outward show of allegiance to the local gods the mysteries emphasized an inwardness and privacy of worship within a closed band of initiates In this book Marvin W Meyer explores the sacrifices and prayers the public celebrations and secret ceremonies the theatrical performances and literary works the gods and goddesses that were a part of the mystery religions
