The Jesus Revolution:

Jesus Revolution Greg Laurie, Ellen Vaughn, 2018-09-04 God has always been interested in turning unlikely people into his most fervent followers. Prostitutes and pagans tax collectors and tricksters. The more unlikely the more it seemed to please God and to demonstrate his power, might and mercy. America in the 1960s and 1970s was full of unlikely people, men and women who had rejected the stuffy religion of their parents' generation who didn't follow the rules, didn't fit in. The perfect setting for the greatest spiritual awakening of the 20th century. With passion and purpose, Greg Laurie and Ellen Vaughn tell the amazing true story of the Jesus Movement, an extraordinary time of mass revival, renewal and reconciliation. Setting fascinating personal stories within the context of one of the most tumultuous times in modern history, the authors draw important parallels with our own time of spiritual apathy or outright hostility, offering hope for the next generation of unlikely believers and for the next great American revival. Those who lived through the Jesus Revolution will find here an inspiring reminder of the times and people that shaped their lives and faith. Younger readers will discover a forgotten part of recent American history and along with it a reason to believe that God is not finished with their generation. **The Jesus Revolution** Leith Anderson, 2009 Anderson challenges readers to step out in faith and be part of the ongoing movement to change the world with Jesus' revolutionary message. The Jesus Revolution Rodolfo Martin Vitangcol, 2022-12-18 Two thousand years have passed since Jesus came to bring life to the world and yet God's kingdom is still to happen on earth. In fact, our world has gone even much more miserable than when Jesus left it. All we see around are poverty and oppression, getting ever wider and deeper as greed and corruption get ever bolder and meaner. Obviously, Jesus' Mission on earth died with him on the cross. Jesus must rise. For Jesus to rise, it calls for a revolution. Happy reading. [The Ten Universal Truths of "The Jesus Revolution"](#) Rodolfo Martin Vitangcol, 2023-03-09 Behold the Ten Universal Truths of Jesus' Revolution. They are truths that shall unify the world as one human race living most harmoniously and happily in one big ball of place called earth. Happy reading. **The Inside Story on the Jesus Revolution that Changed the Truth of God Into a Lie**, 1971 **Jesus Revolution 2** Billy Ng, 2017-10-12 **The Jesus Revolution** James M. Scott, 2023-02-24 This introduction to a biblical theology of the New Testament seeks to revitalize our engagement with the Scriptures for the twenty-first century by showing not only how the assemblage of ancient writings consisting of both Old and New Testaments is intrinsically relevant but also how we can remain faithful to Jesus Christ the organizing principle of those writings in the process. The book is an invitation to all people of goodwill, believers and unbelievers, liberals and conservatives to put aside their differences in order to cooperate in the revolution that Jesus inaugurated: the creation of a new and better world in the here and now as an anticipation of the eschatological finale. In an age in which many people are overwhelmed by life and looking for ways to cope, this book offers fresh perspectives and penetrating insights that are grounded in solid biblical scholarship with the aid of contemporary philosophical concepts.
