The Jesus Way

Henry George Spaulding

The Jesus Way:

The Jesus Way Eugene Peterson, 2011-10-27 An inspiring book on the spirituality of following Christ Continuing Peterson's major evaluation of contemporary Christian spirituality THE JESUS WAY asks what it means to authentically follow Christ in the modern world. As with other books in the series THE JESUS WAY is written for both academic and serious lay audiences. Challenging but rewarding, it combines first rate scholarship with illustrations drawn from raw human experience. Also available in the Spiritual Theology series Christ Plays in Ten Thousand Places Eat This Book The Word Made Flesh and Practise Resurrection

The Jesus Way Study Guide Eugene H. Peterson, Peter Santucci, 2007-06-11 The third book in Eugene Peterson's momentous five volume conversation on spiritual theology The Jesus Way considers the way of the Lord that became incarnate and complete in Jesus. Arguing that the way Jesus leads and the way we follow are symbiotic, Peterson challenges the ways of the contemporary American church showing how they often obliterate what is unique in the Jesus way. This helpful study guide is designed to enable small groups in schools or churches or even individuals to delve deeper into the timely wisdom of The Jesus Way. Peterson's discussion is broken up here into eleven sessions each of which contains a summary, a list of key adjectives, quotations to consider and questions for interaction ending with a select prayer from one of several traveling companions on the Jesus way.

Ten Movements of the Jesus Way Graham Joseph Hill, 2026-07-28 Walking the Radical Path of Jesus in Today's Fractured World. In our current cultural moment we are fractured by political polarization, performative religiosity, consumerism, nationalism, and deepening inequality. Christians need to resist these forces with the alternative spiritual and theological vision of the Jesus Way. Ten Movements of the Jesus Way is a call to reimagine discipleship not as belief alone but as a life radically shaped by the sacrificial way of Jesus. Rooted in Scripture and global Christian traditions, theologian Graham Hill offers a prophetic invitation back to the radical countercultural path of Jesus, a path marked by humility, servanthood, justice, and love. Hill guides readers through ten transformative movements such as Moving from material success to spiritual riches, confronting the idolatry of wealth and status; Shifting from power to servanthood, exposing the ways Christians have clung to cultural dominance instead of Christlike humility; Moving from exclusion to embrace, challenging systemic racism, xenophobia, and the politics of division; with the inclusive love of Jesus. The Jesus Way is a path of deep love for God and neighbor where discipleship isn't defined by status or success but by sacrificial love, radical generosity, and faithful commitment to justice and reconciliation. This book invites readers to walk that path, living as a people who reflect Jesus in a world desperate for his hope and renewal. Ten Movements of the Jesus Way features Embodied practices for living like Jesus in radical love and compassionate discipleship. Practical ways to join God's mission to heal, reconcile, and renew the world. A global perspective drawn from Scripture and diverse Christian traditions from African, Asian, Indigenous, and Latin American expressions of faith. Questions for reflection and discussion great for book clubs or small groups. With Ten Movements of the Jesus Way, discover how you can anchor your
