It's where Dana was invited to meet Malory Price and Zoe McCourt and where they learned that they were destined to find three keys to unlock a box holding the souls of three mythical demigoddesses one an artist one a bard and one a warrior. With the promise of a million dollars each dangled before them the women couldn't refuse. And as Malory found the first key they formed a fast friendship and decided to go into business together. For Dana that meant her dream of owning a bookstore was about to come true. And now as Dana finds herself on the threshold of some major life changes it's her turn to find a key. She has four weeks to unravel a riddle involving her past present and future and to find the truth hidden among deception and lies or succumb to her worst nightmare.
