Zhe Xu

Soviet Sport The Success Story:

Soviet Sport, 1987 *Sport in the USSR* Mike O'Mahony, 2006-06-15 Sport played a vital role within the social and cultural life of the Soviet Union The Soviet State sponsored countless programmes to promote sporting activities and even constructed a new term fizkultura to describe sports culture In *Sport in the USSR* Mike O Mahony asserts that the popular image of fizkultura was as dependent on presentation as it was on actual practice Images of vigorous Soviet sportsmen and women were evoked in literature film and popular songs and adorned stamps and domestic objects as well as badges and medals Some major artists even forged their entire careers from representations of sport *Sport in the USSR* explores physical and visual culture from the early years of the Soviet Union to its collapse It is a fascinating addition to the current debates in the fields of sociology visual culture and Soviet history **BOOK JACKET**

Football in the Land of the Soviets Carles Viñas, 2022-10-20 Mistrusted and derided instrumentalised and adored the story of football in Tsarist and early Soviet Russia is as wild and intriguing as that of the country itself In many ways it is the same story *Football in the Land of the Soviets* offers a fresh perspective on a momentous chapter in modern political history Carles Viñas shows how the Russian game was transformed in just a few decades from a minor migr pastime to a modernising driver of society to a vanguard for Soviet diplomacy and internationalism and finally with the first championship of the Soviet League in 1936 into a truly mass phenomenon So exactly how did a bourgeois game end up as the collective passion of the Soviet working class And why does it matter *Football in the Land of the Soviets* brings these questions to the fore in this thrilling unorthodox account of the fall of an imperial dynasty and the rise of the world's first socialist state

Sport in Soviet Society James Riordan, 1977 This book examines the evolution of sport in Russia from its association with health and hygiene to its post war purpose of raising Soviet prestige abroad

A History of Sports Coaching in Britain Dave Day, Tegan Carpenter, 2015-10-08 At the London Olympics in 2012 Team GB achieved a third place finish in the medals table A key factor in this achievement was the high standard of contemporary British sports coaching But how has British sports coaching transitioned from the amateur to the professional and what can the hitherto under explored history of sports coaching in Britain tell us about both the early history of sport and about contemporary coaching practice *A History of Sports Coaching in Britain* is the first book to attempt to examine the history of British sports coaching from its amateur roots in the deep nineteenth century to the high performance high status professional coaching cultures of today The book draws on original primary source material including the lost coaching lives of key individuals in British coaching to trace the development of coaching in Britain It assesses the continuing impact of the nineteenth century amateur ethos throughout the twentieth century and includes important comparisons with developments in international coaching particularly in North America and the Eastern Bloc The book also explores the politicisation of sport and the complicated interplay between politics and coaching practice and illuminates the origins of the structures organisations and philosophies that surround performance sport in Britain today This

book is fascinating reading for anybody with an interest in the history of sport sports coaching sports development or the relationships between sport and wider society Defending the American Way of Life Kevin B. Witherspoon, 2018-12-01 Winner 2019 NASSH Book Award Anthology The Cold War was fought in every corner of society including in the sport and entertainment industries Recognizing the importance of culture in the battle for hearts and minds the United States like the Soviet Union attempted to win the favor of citizens in nonaligned states through the soft power of sport Athletes became de facto ambassadors of US interests their wins and losses serving as emblems of broader efforts to shield American culture both at home and abroad against communism In Defending the American Way of Life leading sport historians present new perspectives on high profile issues in this era of sport history alongside research drawn from previously untapped archival sources to highlight the ways that sports influenced and were influenced by Cold War politics Surveying the significance of sports in Cold War America through lenses of race gender diplomacy cultural infiltration anti communist hysteria doping state intervention and more this collection illustrates how this conflict remains relevant to US sporting institutions organizations and ideologies today Cold War Olympics Harry Blutstein, 2021-12-17 The political tension of the Cold War bled into the Olympic Games when each side engaged in psychological warfare exploiting sport for political ends In Helsinki the Soviet Union nearly overtook the United States in the medal count Caught off guard the U S hastened to respond certain that the Soviets would use a victory at the next Olympics to broadcast their superiority over the Western world Following the 1956 suppression of the Hungarian uprising a Soviet athlete struck a Hungarian opponent in the Melbourne water polo semifinals turning the pool red The United States covertly encouraged Eastern Bloc athletes to defect communist Chinese agents nearly succeeded in goading the Taiwanese government into withdrawing from the games and a forbidden romance between an American and Czech athlete resulted in a politically complex marriage This history describes those stories and more that resulted from the complicated relationship between Cold War politics and the Olympics *Secrets of Soviet Sports Fitness and Training* Michael Yessis, Richard Trubo, 1988 **Sport in the USSR.** , 1982-05 **Soviet Sports Review** , 1968 **Playing Politics** Victor Peppard, James Riordan, 1993 *Psychological Foundations of Sport* John M. Silva, Diane E. Stevens, 2002 Twenty five specialists from the field of sports psychology contribute 26 chapters to this text for undergraduate students in sport psychology courses which may also appeal to graduate students and fellow professionals in the field The text combines information from both basic and applied sources from sport psychology and psychology Coverage includes the evolution of sport psychology personality and performance motivation and sport emotion and sport performance intervention and performance enhancement group dynamics aggression in sport gender issues in sport psychological aspects of coaching and psychological aspects of youth sport Annotation copyrighted by Book News Inc Portland OR *Soviet Life* , 1983 **Coaching Review** , 1987 **The Soviet and Post-Soviet Review** , 1992 Indian Book Industry , 1988 The Psychology of Sport Dorcas Susan Butt, 1987 *Through Russia: from St. Petersburg to Astrakhan and the Crimea* Katharine
