

THE FUTURE OF SPACE EXPLORATION

A vibrant, futuristic illustration of space exploration. The scene is set against a deep black space background filled with stars. Several large, glowing planets in shades of blue, teal, and red are visible. On the right, a complex space station or orbital structure with multiple modules and solar panels is depicted. In the lower right, a space suit is shown, and the word "future" is written in a stylized, glowing font. The overall aesthetic is high-tech and imaginative.
