Lee,1899      **The Conflict with Spain and Conquest of the Philippines** Henry Francis Keenan,1898      *Exciting Experiences in Our Wars with Spain, and the Filipinos* Marshall Everett,1899      **The Christian Century** ,1958      *The New World Guides to the Latin American Republics: Mexico, Central America and the West Indies* Earl Parker Hanson,Raye Roberts Platt,1945      **The Colonial Art of Demonizing Others** Esther Lezra,2014-03-21 The Colonial Art of Demonizing

Others examines European mistranslations and misrepresentations of black freedom dreams and self activity as monstrous in the period of modern imperial consolidation roughly from 1750 to 1848 This book argues that Europe s archives of self understanding are haunted by the traces of Black radical resistance Just as Europe s economy came to depend upon the raw materials markets and labor it secured from the colonies European culture came to be based on fantasies and phobias

derived from the unruly and unmanageable aftershocks of colonial violence and counter insurgency Rather than assert that European nationalist and abolitionist discourses are on the side of emancipatory movements the book shows the limits of the promise of that discourse and the continuation of those limitations that makes the continued pursuit of that promise a questionable activity This book does not wish to salvage the emancipatory promises of European discourse but considers the more difficult and uncomfortable question of why emancipatory movements represented the struggles of anticolonial and radical blackness the way they did The Colonial Art of Demonizing Others privileges the political reading not only of literary texts but also of historical documents and visual culture     **Daily Report, Foreign Radio Broadcasts** United States.
