Personalized Memo Paper:

Personal Justice Denied: Report United States. Commission on Wartime Relocation and Internment of Civilians, 1982 Part II p 315 359 concerns the removal of Aleuts to camps in southeastern Alaska and their subsequent resettlement at war's end

Capitalist Family Values Polly Reed Myers, 2015-09 Though best known for aircraft and aerospace technology Boeing has invested significant time and money in the construction and promotion of its corporate culture Boeing's leaders in keeping with the standard of traditional American social norms began to promote a workplace culture of a white heterosexual family model in the 1930s in an attempt to provide a sense of stability for their labor force during a series of enormous political social and economic disruptions For both managers and workers the construction of a masculine culture solved problems that technological innovation and profit could not For managers it offered a way to govern employees and check the power of unions For male employees it offered a sense of stability that higher wages and the uncertainties of the airline market could not For scholar Polly Reed Myers Boeing's corporate culture offers a case study for understanding how labor and the workplace have evolved over the course of the twentieth century and into the present day amid the rise of neoliberal capitalism globalization and women's rights Capitalist Family Values places the stories of Boeing's women at the center of the company's history illuminating the policy shifts and economic changes global events and modern controversies that have defined policy and workplace culture at Boeing Using archival documents that include company newspapers interviews and historic court cases Capitalist Family Values illustrates the changing concepts of corporate culture and the rhetoric of a workplace family in connection with economic political and social changes providing insight into the operations of one of America's most powerful and influential firms
