Martin Crouch

Soviet Politics From Brezhnev To Gorbachev:

Soviet Politics from Brezhnev to Gorbachev Donald Kelley,1987-08-19 Beginning with Brezhnev era the author follows the course and development of Soviet leadership examining the elements of continuity as well as change He zeroes in on each individual leader and analyzes the economic social and international issues faced by each For instance Kelly sets the stage for Andropov s succession discusses strategies for his succession details Andropov s rise to power presents the premier s time in power and finally examines Andropov s decline Along with pinpointing individual instances of leadership the author covers the role of the Communist party within Soviet politics including the theory of party leadership and the reality of bureaucratic and administrative reform He also discusses options for the new leadership Soviet economy class and social structure and foreign policy

Gorbachev and Yeltsin as Leaders George W. Breslauer,2002 Gorbachev and Yeltsin as Leaders also compares these men with Khrushchev and Brezhnev yielding new insight into the nature of Soviet and post Soviet politics and into the dynamics of transformational leadership more generally The book is an important contribution to the analysis and evaluation of political leadership It is well written and accessible to the nonspecialist Jacket

Politics in the Soviet Union Ian Derbyshire,1987 **Politics in the Soviet Union** ,1986 **Khrushchev and Brezhnev as Leaders (Routledge Revivals)** George W. Breslauer,2016-06-10 First published in 1982 this book explores how Khrushchev and Brezhnev manipulated their policies and personal images as they attempted to consolidate their authority as leader Central issues of Soviet domestic politics are examined investment priorities incentive policy administrative reform and political participation The author rejects the conventional images of Khrushchev as an embattled consumer advocate and decentraliser and of Brezhnev s leadership as dull and conservative He looks at how they dealt with the task of devising programs that combined the post Stalin elite s goals of consumer satisfaction and expanded political participation with traditional Soviet values

The Soviet Social Contract and why it Failed Linda J. Cook,1993 This book is the first critical assessment of the likelihood and implications of such a contract Linda Cook pursues the idea from Brezhnev s day to our own and considers the constraining effect it may have had on Gorbachev s attempts to liberalize the Soviet economy

Crisis amid Plenty Thane Gustafson,2014-07-14 Although the Soviet Union has the most abundant energy reserves of any country energy policy has been the single most disruptive factor in its industry since the mid 1970s This major case study treats the paradox of the energy crisis as an essential part of larger economic problems of the Soviet Union and as a key issue in determining the fate of the Gorbachev reforms Originally published in 1989 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The System G. A. Arbatov, 1992 Arbatov reveals the political ramifications of Khrushchev's denunciation of Stalin at the Twentieth Party Congress and the resultant thaw and describes the coup d'état that removed Khrushchev from power in 1964. He gives a full report on the re-Stalinization campaign of 1968-1974 and the period of stagnation that followed. It is clear that even in the depths of the Cold War the monolithic facade that the Soviet Union presented to the world actually contained pockets of open thinking and dissent. As the party's leading expert on the United States Arbatov offers illuminating analysis of how the Soviet Union's relationship with America evolved from the late 1960s through the short-lived détente to the second Cold War and the second Russian Revolution. He frankly assesses the personalities and leadership qualities of Khrushchev, Brezhnev, Andropov with whom he worked most closely and Gorbachev, giving us far more complex portraits of these men than we've had before.

Soldiers and the Soviet State Timothy J. Colton, Thane Gustafson, 2014-07-14 How much power does the Soviet military exert on the politics of the Kremlin? This is one of the most controversial questions in the study of the Soviet Union, here addressed by eight top Western specialists on Soviet politics and security policy. While the authors assert that the civil-military relationship has been less turbulent than often believed, they also point out that Gorbachev's reforms threaten the system of buffers that have until now shielded the military-industrial world from disruption and change. Introduced by Timothy Colton's essay *Perspectives on Civil-Military Relations*, the volume discusses civil-military relations in relation to political change, Bruce Parrott's the KGB, Amy Knight's resource stringency and civil-military resource allocation, Robert Campbell's the defense industry, Julian Cooper's response to technological challenge, Thane Gustafson's social change, Ellen Jones's and consequences of external expansion, Bruce D. Porter's Gustafson has written a concluding chapter *Toward a Crisis in Civil-Military Relations*. Originally published in 1990, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Contemporary Issues in Soviet Foreign Policy Erik Hoffmann, 2017-09-04 This survey of writings on the debates about and events relating to Soviet foreign policy concentrates on the Gorbachev period. Changes in Soviet theory and foreign policy decision making are covered in the first section. Twelve articles examine Gorbachev's policy towards a number of different geographic regions and several more assess the permanence of Gorbachev's foreign policy changes.

Shadows and Whispers Dusko Doder, 1988 Having witnessed the dramatic series of succession crises in the Soviet Union through the early 1980s and having developed a unique insider access, Dusko Doder brings to life the personalities and the politics within the Kremlin. 8 pages of black and white photos.

Brezhnev Reconsidered E. Bacon, M. Sandle, 2002-10-11 Leonid Brezhnev was leader of the Soviet Union for almost two decades when it was at the height of its powers. This book is a long-overdue reappraisal of Brezhnev the man and

the system over which he ruled By incorporating much of the new material available in Russian it challenges the received wisdom about the Brezhnev years and provides a fascinating insight into the life and times of one of the twentieth century's most neglected political leaders Developments in Soviet Politics Stephen White, Alex Pravda, Zvi Gitelman, 1990-07-06

Written by a team of leading scholars this book meets the need for an up to date account on the political system and policy progress which is emerging and an analysis of the future prospects of the Gorbachev revolution The Soviet Union under Brezhnev William J. Tompson, 2014-07-30 The Soviet Union Under Brezhnev provides an accessible post Soviet perspective on the history of the USSR from the mid 1960s to the mid 1980s. It challenges both the evil empire image of the USSR that was widespread in the early 1980s and the stagnation label attached to the period by Soviet reformers under Gorbachev. The book makes use of a range of memoirs, interviews, archival documents and other sources not available before 1990 to place Brezhnev and his epoch in a broader historical context. The author examines high politics, foreign policy and policy making, explores broader social, cultural and demographic trends, presents a picture of Soviet society in the crucial decades prior to the upheavals and crises of the late 1980s. While stopping well short of a full scale rehabilitation of Brezhnev, Tompson rejects the prevailing image of the Soviet leader as a colourless non entity, drawing attention to Brezhnev's real political skills as well as his faults and to the systemic roots of many of the problems he faced.

From Brezhnev To Gorbachev Baruch A. Hazan, 2019-03-05 From 1982 to 1985 the period on which this book focuses the Soviet Union was governed by a succession of ailing old men Brezhnev, Andropov and Chernenko, who supported by an equally elderly Politburo, were often physically incapable of controlling and directing the bureaucratic state machine and party organization. This unprecedented situation precipitated a secret and bitter power struggle within the top Soviet leadership between two main factions: the Chernenko apparatchiks, who had risen to power under Brezhnev and owed their positions to him, and the supporters of Andropov, including the younger, more dynamic and power hungry members of the party elite, who had been advocating fairly bold reforms to deal with the grave social and economic problems facing the USSR. Dr Hazan provides a detailed analysis of this hidden power struggle as he examines the final years of Brezhnev's reign and the brief ascendancies of Andropov and Chernenko. These rapid changes led to the demise of the old guard in the Politburo and the emergence of a new breed of leader in Mikhail Gorbachev, culminating in the final consolidation of his power at the 27th CPSU Congress. Drawing on an extensive range of primary sources and using vivid examples of how the factions exploited the gigantic propaganda machine of the Soviet mass media, the author looks behind the Kremlin's walls to explore the essence of Soviet politics. The book describes the power base of each of the recent Soviet leaders and analyzes the steps they took to consolidate their positions and tighten controls over the bureaucracy and the military.

Khrushchev and Brezhnev as Leaders George W. Breslauer, 1982 Politics in Russia and the Successor States Donald R. Kelley, 1999 In this book the author focuses on comparative topical issues such as political culture, executive leadership, legislatures and parties. Each chapter begins with a

theoretical introduction that offers a comparative perspective and links Russia and the successor states to other parts of the world. Designed for comparativists rather than specialists this book sheds fresh light on an emerging democracy and explores how such an astonishing world event came to be. This study of Russia and the successor states is framed within a theoretical examination of democratization and encompasses the first efforts at reform and democratization in the nineteenth century that led to the eventual creation of a pluralistic society with its beginning as early as the Khurshchev era and the monumental movement toward democratization after 1991.

Back cover **Soldiers and the Soviet State** Timothy J.

Colton, 1990 How much power does the Soviet military exert on the politics of the Kremlin? This is one of the most controversial questions in the study of the Soviet Union here addressed by eight top Western specialists on Soviet politics and security policy. While the authors assert that the civil-military relationship has been less turbulent than often believed, they also point out that Gorbachev's reforms threaten the system of buffers that have until now shielded the military-industrial world from disruption and change.

Introduced by Timothy Colton's essay Perspectives on Civil-Military Relations, the volume discusses civil-military relations in relation to political change. Bruce Parrott, the KGB, Amy Knight, resource stringency, and civil-military resource allocation. Robert Campbell, the defense industry, Julian Cooper, response to technological challenge, Thane Gustafson, social change, Ellen Jones, and consequences of external expansion.

Bruce D. Porter, Gustafson has written a concluding chapter Toward a Crisis in Civil-Military Relations. Originally published in 1990, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These paperback editions preserve the original texts of these important books while presenting them in durable paperback editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Revolution & Evolution Martin Crouch, 1990 *Soviet Politics* Richard Sakwa, 2012-11-12 Soviet Politics in Perspective is a new edition of Richard Sakwa's successful textbook Soviet Politics: an introduction. Thoroughly revised and updated, it builds on the previous editions' comprehensive and accessible exploration of the Soviet system from its rise in 1917 to its collapse in 1991. The book is divided into five parts which focus on key aspects of Soviet politics. They are historical perspectives beginning with the Tsarist regime on the eve of Revolution, the rise and development of Stalinism, through to the decline of the regime under Brezhnev and his successors, and Gorbachev's attempts to revive the system. Institutions of Government such as the Communist Party, security apparatus, the military, the justice system, local government, and participation. Theoretical approaches to Soviet politics including class and gender politics, the role of ideology, and the shift from dissent to pluralism. Key policy areas: the command economy and reform, nationality politics, and foreign and defence policy. An evaluation of Soviet rule and reasons for its collapse. Providing key texts and bibliographies, this book offers the complete history and politics of the Soviet period in a single volume. It will be indispensable to students of Soviet and post-Soviet studies.

Soviet Politics From Brezhnev To Gorbachev Introduction

In todays digital age, the availability of Soviet Politics From Brezhnev To Gorbachev books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Soviet Politics From Brezhnev To Gorbachev books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Soviet Politics From Brezhnev To Gorbachev books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Soviet Politics From Brezhnev To Gorbachev versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Soviet Politics From Brezhnev To Gorbachev books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Soviet Politics From Brezhnev To Gorbachev books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Soviet Politics From Brezhnev To Gorbachev books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow

digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Soviet Politics From Brezhnev To Gorbachev books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Soviet Politics From Brezhnev To Gorbachev books and manuals for download and embark on your journey of knowledge?

FAQs About Soviet Politics From Brezhnev To Gorbachev Books

1. Where can I buy Soviet Politics From Brezhnev To Gorbachev books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
