

Soviet Union 1991

Emmanuel Navon

Soviet Union 1991:

The Fall of the Soviet Union, 1991 Susan Sales Harkins, William H. Harkins, 2008-09 Soviet history begins with bloodshed oppression and strife Civil War stained the Russian landscape with the blood of its people after Nicholas II abdicated his throne to a provisional government The Bolsheviks wanted Russia and eventually they took her Peasants became citizens with rights but the truth is the civil war only changed the name of their oppressor from czar to Communist dictator After decades of isolation and sometimes harsh living conditions Mikhail Gorbachev ushered in an age of reform but in doing so he made enemies Then Boris Yeltsin championed reform and the rights of the people When Communist hard liners made one last effort to regain control Yeltsin held his ground Unlike its birth the death of the Soviet Union saw little bloodshed After seventy years even the Communist hard liners no longer had the stomach for killing citizens to keep control The union dissolved in 1991

The Collapse of the Soviet Union, 1985-1991 David R. Marples, 2016-09-17 Why did the Soviet Union collapse in 1991 The collapse of the Soviet Union has widely been seen as the result of the arms race and Cold War and the failure of the Soviet side to keep pace with new technology This book argues that the disintegration was mainly a result of two interrelated factors the rise of the Soviet national republics and the manipulation of the new Russian presidency by Boris Yeltsin in what became a direct power struggle between Yeltsin and the Soviet leader Gorbachev Written in a clear and accessible manner the book provides an explanation of how the national question came to dominate Soviet politics by 1990 1 analysis of the economic crisis that occurred in the late 1980s a chapter devoted to the year 1991 from the referendum to reform the Soviet Union to the unforeseen dissolution of the country by December a discussion of the personalities of and political confrontation between the two key statesman Gorbachev and Yeltsin Also containing a Chronology Glossary and Who's Who of key figures The Collapse of the Soviet Union is essential reading for students of twentieth century European history

The Soviet Union and international cooperation in legal matters. 3. Criminal law George Ginsburgs, William B. Simons, 1988 The present title is the last in a three volume set addressing the umbrella theme of The Soviet Union and International Cooperation in Legal Matters The preceding installments treated the Soviet Union's record in the field of commercial arbitration and civil law respectively With the U S S R dead use of the term Soviet Union may call for some justification In this instance the desire to preserve stylistic continuity plays a role in the choice Furthermore the bulk of the monograph really does deal with the Soviet Union's track record in this domain on the assumption that much of its repertory in this theatre will be salvaged through the machinery of state succession in fairly intact or recognizable shape and affect the deployment of future modes of management of these affairs en route to stripping the old inventory of its socialist attributes and updating the core package In that sense the volume marks the end of a Soviet branch of international law and the dawn of a new discipline of research in the local brand of post Soviet international law It seems safe to say though that whatever lies ahead is going to have its roots in the country's contemporary history and

understanding these antecedents will make the job of figuring out what to expect next a bit easier The study concentrates essentially on post World War II repertory with some reference to pre 1945 antecedents in order to put the picture in a clearer perspective Trade Policy and Exchange Rate Issues in the Former Soviet Union Warner Max Corden,1992 One approach to trade policy among the former Soviet republics is to have no trade policy to have completely free trade with convertibility for current account transactions Trade policy should be transparent Any tariff and export tax structures should be simple Quantitative controls should be avoided And no barriers to existing trade between the republics should be introduced *The Soviet Union, 1991* Current History, Inc,1991 **Dissolution of the Soviet Union** Source

Wikipedia,2013-09 Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online Pages 64 Chapters 1991 Soviet coup d etat attempt 28th Congress of the Communist Party of the Soviet Union Alma Ata Protocol Andrei Amalrik Belavezha Accords Declaration of Independence of Ukraine Declaration of State Sovereignty of Ukraine Democratisation in the Soviet Union Era of Stagnation Georgian independence referendum 1991 Glasnost Helene Carrere d Encausse History of the Soviet Union 1982 1991 Moldovan Declaration of Independence Moscow Music Peace Festival Perestroika Predictions of Soviet collapse Reagan Doctrine Russian presidential election 1991 Soviet Union legislative election 1989 Soviet Union referendum 1991 Soyuz faction Ukrainian independence referendum 1991 Union of Sovereign States Excerpt The Union of Soviet Socialist Republics USSR was formally dissolved on 26 December 1991 by declaration 142 H of the Soviet of the Republics of the Supreme Soviet of the Soviet Union This declaration acknowledged the independence of the twelve republics of the Soviet Union that subsequently created the Commonwealth of Independent States On the previous day 25 December 1991 Soviet President Mikhail Gorbachev had resigned declaring his office extinct and handed over the Soviet nuclear missile launching codes to Russian President Boris Yeltsin That same evening at 7 32 P M the Soviet flag was lowered from the Kremlin and replaced with the Russian tricolor The dissolution of the world s first and largest Communist state also marked an end to the Cold War In order to revive the stagnant Soviet economy in 1985 new Soviet leader Mikhail Gorbachev began a process of increasing political liberalization glasnost perestroika in the communist one party state However this liberalization led to the emergence from 1986 onwards of nationalist movements and ethnic disputes within the **Monthly Catalog of United States Government Publications** ,1993

FDR and the Soviet Union Mary E. Glantz,2005 Throughout his presidency Franklin Roosevelt was determined to pursue a peaceful accommodation with an increasingly powerful Soviet Union an inclination reinforced by the onset of world war Roosevelt knew that defeating the Axis powers would require major contributions by the Soviets and their Red Army and so despite his misgivings about Stalin s expansionist motives he pushed for friendlier relations Yet almost from the moment he was inaugurated lower level officials challenged FDR s ability to carry out this policy Mary Glantz analyzes tensions shaping the policy stance of the United States toward the Soviet Union before during and immediately after World War II

Focusing on the conflicts between a president who sought close relations between the two nations and the diplomatic and military officers who opposed them she shows how these career officers were able to resist and shape presidential policy and how their critical views helped shape the parameters of the subsequent Cold War Venturing into the largely uncharted waters of bureaucratic politics Glantz examines overlooked aspects of wartime relations between Washington and Moscow to highlight the roles played by U S personnel in the U S S R in formulating and implementing policies governing the American Soviet relationship She takes readers into the American embassy in Moscow to show how individuals like Ambassadors Joseph Davies Lawrence Steinhardt and Averell Harriman and U S military attaches like Joseph Michela influenced policy and reveals how private resistance sometimes turned into public dispute She also presents new material on the controversial military attach lend lease director Phillip Faymonville a largely neglected officer who understood the Soviet system and supported Roosevelt s policy Deftly combining military with diplomatic history Glantz traces these philosophical and policy battles to show how difficult it was for even a highly popular president like Roosevelt to overcome such entrenched and determined opposition Although he reorganized federal offices and appointed ambassadors who shared his views in the end he was unable to outlast his bureaucratic opponents or change their minds With his death anti Soviet factions rushed into the policymaking vacuum to become the primary architects of Truman s Cold War containment policy A case study in foreign relations high level policymaking and civil military relations FDR and the Soviet Union enlarges our understanding of the ideologies and events that set the stage for the Cold War It adds a new dimension to our understanding of Soviet American relations as it sheds new light on the surprising power of those in low places *One Europe, 100 Nations* Roy Norman Pedersen,1992 Exploring the concept of stateless nations this book examines the struggle of Europe s unrecognized nations for democratic home rule particularly within the context of a new and integrated Europe **The Ussr In 1991** Vera Tolz,Melanie Newton,1993-04-19 The last volume in this annual series chronicles the developments that led up to the abortive August coup the disintegration of the Soviet Union and the establishment of the Commonwealth of Independent States *The USSR in 1991* Vera Tolz,Melanie Newton,2019-09-13 This last volume in the annual series chronicles the developments that led up to the abortive August coup the disintegration of the Soviet Union and the establishment of the Commonwealth of Independent States The book is arranged as a day by day chronology with boldface headlines identifying individual topics Among the highlights are analyses of the crackdown in the Baltic republics the miners strikes and the ongoing ethnic warfare in the Transcaucasus the referendum on the future of the USSR and the prolonged negotiations between the center and the republics over the Union treaty the emergence of Russia as an alternative center of power and the banning of the Soviet Communist Party The volume also documents in depth the failed coup and the political realignment that followed the disastrous state of the economy and the discussion of potential future cooperation among the newly independent republics **The Star and the Scepter** Emmanuel Navon,2020-11 The first all encompassing book on Israel s

foreign policy and the diplomatic history of the Jewish people The Star and the Scepter retraces and explains the interactions of Jews with other nations from the ancient kingdoms of Israel to modernity Starting with the Hebrew Bible Emmanuel Navon argues that one cannot grasp Israel s interactions with the world without understanding how Judaism s founding document has shaped the Jewish psyche He sheds light on the people of Israel s foreign policy through the ages the ancient kingdoms of Israel Jewish diasporas in Europe from the Middle Ages to the emancipation the emerging nineteenth century Zionist movement and Zionist diplomacy following World War I and surrounding World War II Navon elucidates Israel s foreign policy from the birth of the state in 1948 to our days the dilemmas and choices at the beginning of the Cold War Israel s attempts to establish periphery alliances the Arab Israeli conflict Israel s relations with Europe the United States Russia Asia Africa Latin America the United Nations and the Jewish diasporas and how twenty first century energy geopolitics is transforming Israel s foreign relations today Navon s analysis is rooted in two central ideas represented by the Star of David faith and the scepter political power First he contends that the interactions of Jews with the world have always been best served by combining faith with pragmatism Second Navon shows how the state of Israel owes its diplomatic achievements to national assertiveness and hard power not only military strength but economic prowess and technological innovation Demonstrating that diplomacy is a balancing act between ideals and realpolitik The Star and the Scepter draws aspirational and pragmatic lessons from Israel s exceptional diplomatic history

Moscow, December 25, 1991 Conor O'Clery, 2011-08-18 History always comes down to the details And when it comes to the fall of the Soviet Union the details are crucial especially when such an era defining event hinged on the bitter personal relationship between two powerful men Mikhail Gorbachev and Boris Yeltsin On the twentieth anniversary of the end of the Cold War Conor O Clery has built his compelling and brilliantly constructed narrative of the fall of the Soviet Union around one day December 25 1991 the date Gorbachev resigned and the USSR was effectively consigned to history From there O Clery looks back over the events of the previous six years Gorbachev s reform policies of glasnost and perestroika Yeltsin s ignominious fall and then rise to the top the defiance of the once docile Soviet republics the failed August coup by the hardliners and the events that swiftly followed until a secret meeting in a central European forest sealed the fate of the communist monolith and the clock ticked down to the last day The result is an intricately detailed thoroughly researched book based on interviews with many of the key figures in a drama of Shakespearean intensity as well as contemporary reportage the memoirs and diaries of key political figures and official documents The book is written at a breathtaking dramatic pace drawing the reader in as it focuses equally on the personal and historical stories Moscow December 25 1991 is set to become a defining book on the fall of the Soviet Union

Jews and Jewish Topics in the Soviet Union and Eastern Europe ,1992 **The August Coup** Mikhail Sergeevich Gorbachev, 1991 An analysis of the causes and consequences of the coup d etat that began on 18 August 1991 in the Soviet Union

Foreign policy-making in Russia. Which influence did Yevgeny Primakov have on the foreign affairs of

Russia? ,2022-12-20 Seminar paper from the year 2017 in the subject Politics Region Russia grade 1 7 Martin Luther University Institut f r Politikwissenschaft course Au enpolitik Russlands language English abstract This research paper outlines the life of Yevgeny Primakov describe his activities and emphasize his importance to Putinism Which influence did Primakov have on the foreign affairs of Russia Primakov was foreign minister and prime minister of the Russian Federation in the 1990s He was a bold critic of the oligarchs and their neoliberal capitalism a staunch defender of Russian national interests after the pro western foreign policy of the early post Soviet years and a man whom many Russians considered the best president their country never had **The Last Years of the Soviet Empire** Vladimir Shlapentokh,Neil F. O'Donnell,1993-05-30 Between 1985 and 1991 the Soviet Union was shaken to its core by a series of remarkable social and political developments Throughout the period the eminent Sovietologist Vladimir Shlapentokh monitored the revolution and recorded his impressions in a series of essays which were published in major North American newspapers and periodicals Here Shlapentokh collects these snapshots of current events that detail the progression of perestroika and glasnost The essays and accompanying narrative form a kind of political diary reflecting not only the facts of history but the author s perspective as a Soviet Western observer Each chapter focuses on a single year The snapshots from that year are woven together with narrative describing the year s most important milestones including events in Moscow results of new polls new social trends and revelations in the Soviet mass media Surprisingly Shlapentokh concludes that perestroika was not inevitable and that the Soviet Union was not as many scholars assert doomed to collapse The author s unusual perspective is preserved throughout the book since none of the essays including those that predicted future events have been altered to more closely approximate events that actually took place Recommended for scholars of sociology political science and Soviet history *Information Bulletin* ILLINET/OCCLC Service,1992 **Soviet Union 1991** Bantam Doubleday Dell,Bantam Travel Books Staff,Bantam Travel Bks,1990 *The Rise and Fall of the Soviet Union* Martin McCauley,2008 How did imperial Russia give way to the Soviet Union in 1917 and why did the USSR collapse so quickly in 1991 This work provides a seminal history of twentieth century Russia It examines the strengths weaknesses and contradictions of the first Marxist state and reassesses the role of power authority and legitimacy in Soviet politics
