relatives and other systemites Tommy's parents give up trying to rehabilitate him. The grandparents reluctantly agree to pay to put him into a boarding school. Until that moment Tommy's never watched TV, heard pop music or even eaten a bar of chocolate. He will not see his siblings again for many many years but that's for another story. The other kids in the boarding school can't make sense of this new weird and broke kid who can't speak German. He talks with an American accent yet claims to be a German citizen. Unsurprisingly he is beaten up and bullied. It seems like life in the cult might have been the better option after all. Ostracized and desperate to fit in, he turns to drug dealing to make ends meet. In the months that follow he must very rapidly grow up, become fearless and fight back against insurmountable odds. Not even a year after his arrival he witnesses a girl he deeply cares for being raped. He flings open his trusted butterfly knife and rushes to save her, killing the assailant in the process. There's just one problem: The man he murdered was a very dangerous gang leader. If anyone finds out who murdered him, Tommy will no doubt face torture and execution. There is no turning back, no one he can run to now. He needs to leave everything behind all over again. At night the monsters of the past come to haunt Tommy in his dreams. His memories of the past are all too painful to bear yet he finds it impossible to ignore them. The solution is easy: Alcohol, marijuana and ecstasy. They may dampen the pain temporarily but in the long run they are as effective as a Band-Aid on a freshly severed limb. It seems at times the only way out of this misery is death. That's not like Tommy though. That's too easy in his mind; that's a coward's solution. While on the run, Tommy meets a girl who lives by herself. She agrees to provide him with accommodation. One night Angela opens up to him. She tells Tommy of all the atrocities done to her by her very own father. After a decade of abuse she finally mustered up the courage to speak out. Her abuser was immediately arrested. 5 years later her father has served his time. There is no question in Angela's mind that he will seek revenge. Lucky for Angela, Tommy is far more dangerous than he looks. He's not a scared little boy and more importantly, this time he's got a gun.
