**Zen Entrepreneurship** Rizwan Virk, 2013-05-10 Tales of Power meets the Peaceful Warrior in Silicon Valley It's entertaining, humble, insightful, and valuable not just to entrepreneurs but to anyone looking to manifest their dreams and make a difference in the world. Foster Gamble, Creator and Host of Thrive What on Earth Will It Take You, will come away with insight about yourself, guidance, and knowledge that you may not be able to acquire anywhere else save the mountaintops of the Himalayas. Bookreview.com Read *Zen Entrepreneurship* the book that has inspired entrepreneurs and spiritual seekers worldwide. Based on a true story, this book is about succeeding in life while walking a spiritual path. Follow the travels of a young entrepreneur as he starts and grows a multi-million-dollar business only to discover that real success is tied to the hidden worlds and learn the secrets of being a Career Warrior. This book is not just for entrepreneurs but for anyone who wants to find their work and place in life, who want to bring more integrity into their work and be more successful personally and financially. Riz Virk brings the wisdom of ancient Eastern traditions into a purely Western setting. The result is an often hilarious but always insightful book that will change how you view career success and help you discover and walk your own unique path. Marc Allen, author of *Visionary Business*, CEO and co-founder of New World Library. *Zen Entrepreneurship* will teach you the 14 hidden keys for success, including how to use your work for spiritual growth, how to achieve success using the Four Keys to Manifestation, how to discover and transcend your Energetic Pattern rather than letting it run you, how to bring the magic and mystery of a treasure hunt into your career, how to find the 7 Clues that are pointing you to the person you were meant to be, how to utilize your dreams and synchronicity to serve as your guide, how to find and utilize Places of Power and Times of Power to be more successful, how to manifest appropriately to propel you to financial and business success, how to find and walk your own Warrior's Path, the unique combination of lessons and contributions you are here for. *Zen Entrepreneurship* changed my life; it confirmed for me that clues exist in the world around us and are powerful. I shared this book with every one of my clients from that point forward. Powerful! A must-read; it reinforces that there is a bigger guide within us if we choose to listen. Lorin Beller, author of *From Entrepreneur to Big Fish*, 7 Principles of Wild Success.

*Independent Filmmaking across Borders in Contemporary Asia* Ran Ma, 2025-10-01 *Independent Filmmaking across Borders in Contemporary Asia* examines an array of auteur-driven fiction and documentary independent film projects that have emerged since the turn of the millennium from East and Southeast Asia, a strand of transnational filmmaking that converges with Asia's vibrant yet unevenly developed independent film movements amidst global neoliberalism. These projects bear witness to and are shaped by the ongoing historical processes of inter-Asia interaction, characterized by geopolitical realignment, migration, and population displacement. This study threads together case studies of internationally acclaimed filmmakers, artists, and collectives such as Zhang Lu, Kuzoku Li Ying, Takamine Go, Yamashiro Chikako, and Midi Z, all of whose transborder journeys and cinematic imaginations disrupt static identity affiliations built upon national, ethnic, or

cultural differences This border crossing filmmaking can be viewed as both an aesthetic practice and a political act reframing how people places and their interconnections can be perceived thereby opening up possibilities to reimagine Asia and its connections to globalization      The Primacy of Loving David John Torkington,2022-12-09 When love is lost within a family catastrophic consequences follow That is not just for the parents but for the children too and society at large When the God given love that Jesus Christ introduced into the first Christian family was lost similar consequences ensued Loveless men and women not only do damage to themselves but to others too inside and outside of the Church This last spiritual and supreme masterpiece of a great spiritual master explains and details how the love that was lost can be put back and flourish where it once flourished before This book is the long awaited watershed that can slake the thirst of the dry weary land that has been yearning to receive it      *The Gala on the Night* Justin Kanjirakattu,2023-09-19 When siblings Joshua and Fuchsia Hilton rediscover their late Aunt Leila s diamond ring they soon find out about its hidden powers When Leila s old lover Peter chases them out of their small Massachusetts town in pursuit of the powerful ring they end up in the hidden mystical land of the Starlight Crescents Exploring the land the siblings encounter some special residents and discover more rings with special powers However they also find out about Peter s agenda to destroy all the rings to power the most forbidden gem of all the Shadow Ring As the grandiose festival of the land The Gala on the Night approaches news of Peter s return to the Starlight Crescents quickly spreads along with speculation about how Aunt Leila truly died As they venture the siblings begin to discover secrets of their aunt s past and slowly begin to wonder are they guarding the rings from the right person

treated as a political and social movement arguing for rights and acceptance within religious circles A Special Illumination offers an indepth analysis and argues that gay spirituality should be placed at the heart of religion     **Rheingold, a Romantic Legend** John Baldwin Fosbroke,1873     **Adventure at Hidden Haven Ranch** Mary E.
