## **Sugarless Cooking:**

**Culinary Landmarks** Elizabeth Driver, 2008-04-05 *Culinary Landmarks* is a definitive history and bibliography of Canadian cookbooks from the beginning when *La cuisinière bourgeoise* was published in Quebec City in 1825 to the mid twentieth century. Over the course of more than ten years Elizabeth Driver researched every cookbook published within the borders of present day Canada whether a locally authored text or a Canadian edition of a foreign work. Every type of recipe collection is included from trade publishers bestsellers and advertising cookbooks to home economics textbooks and fund raisers from church women's groups. The entries for over 2 200 individual titles are arranged chronologically by their province or territory of publication revealing cooking and dining customs in each part of the country over 125 years. Full bibliographical descriptions of first and subsequent editions are augmented by author biographies and corporate histories of the food producers and kitchen equipment manufacturers who often published the books. Driver's excellent general introduction sets out the evolution of the cookbook genre in Canada while brief introductions for each province identify regional differences in developments and trends. Four indexes and a Chronology of Canadian Cookbook History provide other points of access to the wealth of material in this impressive reference book. [Cook with Me Sugar Free](#) Sharon M. Dregne Gerstenzang, 1983 Abstract Problems of the American diet specifically the excess use and consumption of refined sugar and their solution through the use of free sugar recipes are discussed in a cookbook of recipes using healthy substitutes for refined sugar. Instead of sugar the major sweeteners used are higher nutrient juice concentrates and dried fruit. Whole grain flours and soy and non fat dry milk powders are used in many of the recipes to enhance protein quality and to improve the nutrient and fiber content of the snacks and desserts. Recipes cover sweet snacks e.g. candies cookies beverages main meal sweets e.g. breads jellies sauces soups desserts and unsweetened snacks e.g. crackers spreads w/z [Manly Meals and Mom's Home Cooking](#) Jessamyn Neuhaus, 2012-03-15 A study of what American cookbooks from the 1790s to the 1960s can show us about gender roles food and culture of their time. From the first edition of *The Fannie Farmer Cookbook* to the latest works by today's celebrity chefs cookbooks reflect more than just passing culinary fads. As historical artifacts they offer a unique perspective on the cultures that produced them. In *Manly Meals and Mom's Home Cooking* Jessamyn Neuhaus offers a perceptive and piquant analysis of the tone and content of American cookbooks published between the 1790s and the 1960s adroitly uncovering the cultural assumptions and anxieties particularly about women and domesticity they contain. Neuhaus's in depth survey of these cookbooks questions the supposedly straightforward lessons about food preparation they imparted. While she finds that cookbooks aimed to make readers mainly white middle class women into effective modern age homemakers who saw joy not drudgery in their domestic tasks she notes that the phenomenal popularity of Peg Bracken's 1960 cookbook *The I Hate to Cook Book* attests to the limitations of this kind of indoctrination. At the same time she explores the proliferation of bachelor cookbooks aimed at the man in the kitchen and the biases they display about male and female

abilities tastes and responsibilities Neuhaus also addresses the impact of World War II rationing on homefront cuisine the introduction of new culinary technologies gourmet sensibilities and ethnic foods into American kitchens and developments in the cookbook industry since the 1960s More than a history of the cookbook Manly Meals and Mom s Home Cooking provides an absorbing and enlightening account of gender and food in modern America An engaging analysis Neuhaus provides a rich and well researched cultural history of American gender roles through her clever use of cookbooks Sarah Eppler Janda History Reviews of New Books With sound scholarship and a focus on prescriptive food literature Manly Meals makes an original and useful contribution to our understanding of how gender roles are institutionalized and perpetuated Warren Belasco senior editor of The Oxford Encyclopedia of American Food and Drink An excellent addition to the history of women s roles in America as well as to the history of cookbooks Choice

**The Low Blood Sugar Cookbook** Patricia Krimmel,Edward A. Krimmel,1986 This is a sugarless cookbook using only fruits and fruit juices for sweeteners and whole grain flours rather than white flour
