

An aerial, wide-angle shot of Kowloon Peak in Hong Kong. The foreground shows a rugged, rocky cliff edge with a person in a red shirt and black pants standing on the very edge, looking out over the city. The middle ground is a dense urban landscape with numerous high-rise apartment buildings and commercial structures. In the background, the Victoria Harbour is visible, with the suspension bridge and other distant buildings under a hazy sky. The text 'KOWLOON PEAK SUICIDE CLIFF' is overlaid in large, bold, yellow letters with a black outline.

Suicide Cliff:

Suicide Cliff Howard Losness,2001-05-29 Japan has just attacked Pearl Harbor Simultaneously Japan s Minister of War Tojo Hideki has a secret project developing on the small Mariana Island of Saipan that when completed is guaranteed to annihilate America Unable to trust his advisors he sends a civilian attorney Monoru Sakamoto to Saipan to be his watchdog Before the project is completed America occupies Saipan and Sakamoto and Tojo s project disappear without a trace Fifty years later Sakamoto s granddaughter Akiko goes to Saipan in an attempt to learn the fate of her grandfather With the help of a handsome young Attorney General Justin Moore the son of one of the fighting men that helped liberate the island she explores the island and uncovers the amazing fate of her grandfather Their explorations continue until they uncover the still existent secret project intact Then she learns of the embarrassment that Japan wanted to not only keep from the world but from its own people as well Suicide Cliff

Mass Suicides on Saipan and Tinian, 1944 Alexander Astroth,2019-03-28 When the Americans invaded the Japanese controlled islands of Saipan and Tinian in 1944 civilians and combatants committed mass suicide to avoid being captured Though these mass suicides have been mentioned in documentary films they have received scant scholarly attention This book draws on United States National Archives documents and photographs as well as veteran and survivor testimonies to provide readers with a better understanding of what happened on the two islands and why The author details the experiences of the people of the islands from prehistoric times to the present with an emphasis on the Japanese Okinawan Korean Chamorro and Carolinian civilians during invasion and occupation

D-Day in the Pacific Harold J. Goldberg,2007-05-02 The narrative moves smoothly and crisply There is effective treatment of strategy preparations and then the invasion and battle for Saipan itself Spencer C Tucker author of American Revolution In June 1944 the attention of the nation was riveted on events unfolding in France But in the Pacific the Battle of Saipan was of extreme strategic importance This is a gripping account of one of the most dramatic engagements of World War II The conquest of Saipan and the neighboring island of Tinian was a turning point in the war in the Pacific as it made the American victory against Japan inevitable Until this battle the Japanese continued to believe that success in the war remained possible While Japan had suffered serious setbacks as early as the Battle of Midway in 1942 Saipan was part of her inner defense line so victory was essential The American victory at Saipan forced Japan to begin considering the reality of defeat For the Americans the capture of Saipan meant secure air bases for the new B 29s that were now within striking distance of all Japanese cities including Tokyo Harold Goldberg s riveting story of this conflict brings the dead back to life by blending rigorous research with dramatic narratives by hundreds of survivors He has written a superb account of a pivotal little known and heart breaking battle Col Joseph H Alexander USMC ret author of Storm Landings Using recent interviews he conducted with extant US veterans Goldberg skillfully develops the soldiers view of the battle for Saipan in an engaging clearly written and interesting volume The Journal of Military History

Torturing Love: The Unique Master Qu Huoshui,2020-01-20

What kind of enmity was this to be able to cause their Father And Daughter to kill each other What kind of hatred would allow couples to harm each other The mysterious Nether Flower Palace Mistress the beautiful yet ice like woman the woman who carried grudges and tears love and hate on her back as she stepped step by step onto this bloody path Since ancient times which was the most important The most important In the end he could only sigh Destiny makes a fool out of people
