Summer Before The Summer Of Love:

Golden hours, ed. by W.M. Whittemore William Meynell Whittemore, 1866 **The Jesus People Movement** Richard A. Bustraan, 2014-02-13 Who would have imagined that the hippies those long haired psychedelia influenced youth of the 1960s would have initiated a spiritual revolution that has transformed American Christianity If you are unfamiliar with the 1960s the counterculture the hippie movement and the Jesus People then this book will transport you to that era and introduce you to the generation and the decade that turned American culture upside down If you have read other books on the Jesus People this account will take you by surprise A refreshingly different narrative that unveils a storyline and characters not commonly known to have been associated with the movement this book argues that the Jesus People though often trivialized and stigmatized as a group of lost and vulnerable youth who strayed from the Fundamentalism of their childhood helped American Christianity negotiate a way forward in a post 1960s culture It examines the narrative of the Holy Spirit and the phenomenon called Pentecostalism Although utterly central the Jesus People s Pentecostalism has never been examined and their story has been omitted from the historiography of Pentecostalism This account uniquely redresses this omission

Three Years Our Mayor Lincoln A. Mitchell, 2025-04-08 Those who recognize Mayor George Moscone s name may think of him as the career politician who was assassinated along with Harvey Milk but there was much more to this influential and fascinating man s story He was a trailblazing progressive and powerful state legislator who was instrumental in passing legislation on issues ranging from LGBT rights to funding for school lunches Moscone s 1975 campaign for mayor was historically significant because it was the first time a major race was won by a candidate who campaigned aggressively for expanding civil rights for both African Americans and LGBT people He won his campaign for mayor chiefly because of huge support from those two constituencies Moscone was also a very colorful character who in addition to being a successful politician was a charming and charismatic bon vivant who was deeply embedded in the fabric and culture of San Francisco He grew up the only son of a single mother in Cow Hollow when it was a working class largely Italian American neighborhood and he became the kind of politician who knew bartenders playground attendants small business owners and neighborhood activists in every corner of the city Moscone s life and the history of San Francisco during the middle half of the twentieth century are deeply intertwined Through illustrating the life of Moscone author Lincoln A Mitchell explores how today s San Francisco came into being Moscone through his work in the State Senate victory in the very divisive 1975 mayor s race and brief tenure as mayor was a key figure in the city s evolution The politics surrounding Moscone s election as mayor governance of the city and tragic death are still relevant issues Moscone was a groundbreaking politician whose life was cut short but his influence on San Francisco can still be felt today **With A Little Bit of Luck** Sabrina Mahfouz, 2016-06-22 I want to be iconic I want to be beautiful reckless feared hated ahead of the times I want to be different I want to be dangerous London 2001 Raves Revision Re election Nadia is swept up in one hot summer s night of love that
