Summer Before:

Once Upon a Summer Gabriele Wills,2024-07-05 An enchanting tale of star crossed lovers and second chances It s the last summer for the renowned Westwind Inn which has been making holiday wishes come true since 1882 according to its weathered signpost But be careful what you wish for Traumatized by a tragic canoeing accident a decade earlier and tormented by nightmares Paige Latimer returns to Westwind in 1997 to come to terms with the past Resort owner Simon Davenport was a childhood friend and her first love but their passionate affair ended abruptly leaving Paige bewildered and heartbroken Being back at the lake where she spent the magical summers of her youth is healing As she delves into Westwind s history for a documentary she s working on with Simon they slide back into their old easygoing friendship still sharing the same talents and dreams But eerie unsettling incidents begin to reveal dangerous undercurrents Nothing is quite as it seems at the idyllic lakeside resort The enigmatic Pembrook sisters who have vacationed at Westwind for over seventy years hold the keys to its secrets As Paige begins to unravel the sisters complex relationship with the inn she discovers something startling about her own family Torn between the life she thought she would lead and the commitments she made Paige must choose her path But something more sinister is threatening her happiness The past hasn t relinquished its stranglehold and Paige realizes that the dying inn is haunted by more than mysteries and memories Once Upon a Summer transports you to the beautiful legendary lake district of Muskoka Canada

Boys of Summer Lucien N. Plante,2013-09 In the Darkness Mike slid over the side of the ship and in to the water without knowing direction swam away from the ship into the darkness hoping not to hear the sound of a rifle or the pain of its report Without knowing where he was Mike hoped he was swimming for shore hoping he would not end up as fish food He had escaped the Yankees This is a story of how our Country grew and how we grow A story of hard work hard thinking and true love Some time before the Civil War two families grow together and become part the that eras American dream The book will show them loving living and celebrating It will also show the sadness of separation and death The unforgettable pain of not knowing where someone is or what happened to them But worst the wrenching pain of not being able to help someone you love Witness the lives of two families become one Witness the boys of summer sun and youth enter the turbulence of lives winter No not that they should grow old in years Life has a winter for all and for some it comes early and is brutal Hope is down the road we know or least wise believe there will be spring The sun will warm us and all will be well
