## **Summer Moonshine:**

Summer Moonshine P.G. Wodehouse,2009-05-27 Poor Sir Buckstone Abbott Bart Not only does he own in Walsingford Hall one of the least attractive stately homes in the country but he has to take in paying guests to keep it upright So when it seems a rich if not very nice continental princess might buy it he s overjoyed particularly as he s being rooked by the publisher of his sporting memoirs His daughter Jane comes up trumps in the company of the playwright Joe but not before engagements are broken and fortunes lost and made Another delightful novel from the master of the English comedy Wodehouse deftly unties all the knots he had so cleverly tied around his characters in the first place      **Summer Moonshine**

Wodehouse,1972      **Summer Moonshine** Pelham Grenville Wodehouse,1956      **Turnabout and Deception** Barton Whaley,2016-07-15 Turnabout and Deception combines two of spymaster Barton Whaley s most potent analyses of the craft Turnabout Crafting the Double Cross and When Deception Fails The Theory of Outs Each examination delves into extensive case studies to establish not only foundational understandings of essential espionage principals but also creates guidance for their practical application on both individual and governmental scales Deception is a basic tactic used by allies and enemies alike but when both protagonist and antagonist ply the same trade it is the master of the double cross who comes out the victor Turnabout and Deception examines how to turn the tables on an opponent and use their own deception against them Through thirty eight case studies this monograph dissects the double cross to reveal the psychological battle of wits at its core No matter how well crafted however there is always a chance that a deception will fail But failure is not the end of a deception and even failed deception operations can yield results Turnabout and Deception pores over sixty more case studies to determine why a deception will fail steps to prevent a failed operation and how to turn that failure into a success      **Loves Me, Loves Me Not**
