Truth's Pathway to Peace and Happiness
John A. Love, 2008-09-30
Enlightened teachers proclaim that life's purpose is to awaken spiritually. But how is this lofty goal achieved? According to one Master Teacher, the answer is simple: Embrace the world with unconditional love and forgiveness. And each day presents an abundance of opportunities to love and forgive. Though the way is clearly marked, the path is not easy to follow. For life's journey has roadblocks and obstacles that cause painful detours. They result in stress, frustration, disappointment, fear, anger, suffering, and, of course, wasted time. But there is wisdom, a trustworthy guide, which allows your journey to unfold peacefully and with lasting happiness. For thousands of years, history's revered Masters have taught these profound lessons. Have you not studied them? Now is the perfect time to read their uplifting message of love and reality. Now is the right time to learn the secret of how to live joyously.

Rev Julie Keene **The History of Human Resource Development**

Claretha Hughes, Matthew W. Gosney, 2016-01-26
The history of human resource development embraces humankind's investment in one another's skills, knowledge, and abilities. As the field transitions into a more mature discipline, there is a need to understand the philosophies upon which certain theories and methodologies are based. Providing a historical narrative of HRD from the beginning of human history through modern times, this book reveals the consistent interaction between the philosophies of the time, theories, and methods of people management, and how these philosophies impact what is known as HRD today. Drs. Gosney and Hughes offer a robust examination of HRD and provide a methodology for critical thinking to better understand the theories and assumptions of the field. They provide a model whereby scholars and practitioners can better understand and evaluate modern HRD through the context of HRD history.
